MORE 18 INCH PIPE COMES

**SECOND STREET MAIN IS BEING
HURRIED TO COMPLETION.**

Work on Adams Avenue Main 1
About One Third Completed
Today.

A second carload of eighteen-inch water main pipe arrived this morning and is being unloaded as rapidly as possible to be turned over to the contractor laying the reservoir main from the reservoir to Adams avenue, down Second street. One carload is already in place and the arrival of the shipment today means that the work can progress unhampered by lack of material, for some time. The completion of the Second street main will mean unbounded supply in all parts of the city, a condition that is not a fact now, because of too small pipes on the second street main.

Other Work Progressing.
Water Superintendent Gillman has about one third of the Adams avenue main completed—pipe laid and trenches filled in. The trenches are dug over the entire district from Second to Greenwood.

Rath is another swift infielder, while Strunk, the extra center fielder, is so good that he may land one of the regular positions in the outfield. Helmtmuller, big and brawny, can murder a left hand pitcher and is invaluable in pinches. Jack Lapp, the third string catcher, is a good one.

A whole ton of press notices will not win a pennant, but it is no use hiding the fact that Mack has a wonderful team this year. Barring accidents, it is certain to be a pennant competitor to the finish.

SAVED HER SON'S LIFE
My son Rex was taken down a year ago with lung trouble. We doctored some months without improvement. Then I began giving Dr. King's New Discovery, and I soon noticed a change for the better. I kept this treatment up for a few weeks and now my son is perfectly well and works every day.
