## SPORTING NEWS

### STARS WILL GO FIGHT RETURNS AGAINST TIME IN LA GRANDE

TWO LOCAL HIGH SCHOOL STARS ATTRACTIONS JULY FOURTH.

Half Mile Record And Fifty Yard Dash Record Will Be Attacked.

Lovers of classical running will have something pleasing handed to them next Fourth of July when effort will be made to break two standing records. One of them will be the half mile and the other the fifty yard dash. This is a decided treat for the visitors at the Chautauqua celebration. In response to an appeal from the businessmen to have some high class land sports at the Fourth of July celebration, several of the stars of this year's high school track team have volunteered their service, in appreciation of the financial backing given the track team last spring by the merchants. Facts were accomplished at that time through the generosity of the businessmen which would have been impossible without that assistance. "Turn about is fair play" say the athletes, and already several are starting training again. They are in excellent shape.

Willie Peavey, captain of this season's track team, will attempt to lower his own record and incidentally that of the Pacific Northwest in the half mile. He ran the race in 1:02:00 at the recent track meet but only got credit for 2:02 as one of the three watches did not jibe. The same day a Seattle young man traveled the distance in 2:01 4-5. That record will go by the boards if the roads on which the race will be run with pacers also from the high school is in any kind of shape at all. Standley Carpy, the champion sprinter of Eastern Oregon, will make his prowess against the standing record in the fifty. Timers, distance and all details will be in harmony with A. A. U. rules and records made on that occasion will stand.

In addition to these particular races, much interest is taken in the water sports and all the high school students are especially anxious to treat the merchants who are backing the Chautauqua in such a way that they will feel the assistance of last spring was duly appreciated.

Walter Burgo, who is going against the Pendleton scraper next week, has commenced shadow boxing and gymnastic foot work relegating road work.

BEST SPORTING WRITERS WILL GIVE LA GRANDE RETURNS.

Observer Completes Arrangements For Through Returns Service.

La Grande and Reno—for its evident that that is where the Jeffries-Johnson bout will be held—will be linked so closely on the day of the big prize fight that there will be but little difference in time to La Grande fight fans. Blows struck at Reno will be reported in La Grande as speedily as Western Union wires can transmit descriptions of them, and everyone knows about how fast that is.

This hooking up with Reno, of whichever town may pull the fight, is made possible through arrangements just completed by the Observer. A bulletin board, and plenty of megaphones will cry exhaustive bulletins on the progress of every round in the big fight. The service will be given to the public in front of the Observer office, and anyone interested can get them free. Arrangements for having the bulletins read audibly through megaphones so that any sized crowd may be kept in close touch with every phase of the fight, have already been made.

The best sporting writers in the business will do the scribing. These men will not be actuated by prejudice or color lines, but will give it to us straight. In view of the fact that the attendance in the city will be large that day, and on account of the lateness of the day prohibiting publication of the details in a regular issue, the Observer has closed these arrangements and on the day of the fight you can get it thick and fast at the Observer office. It is free to everyone.

LOCAL SPORTLETS, COMMENT AND THE LIKE.

Let's take this one tomorrow.

Union has imported a battery of rebarbed by the many who are going to tackle the events on July Fourth.

## Maxwell Wins

Thrills followed thrills as speeding automobiles shot around the course of the Ingleside Race Course, on April 24th, in the second and final day events of the successful meet promoted by the members of Islam Temple of the Mystic Shrine.

The honors of the day were divided between Barney Oldfield, with his 200 horsepower Benz machine, and C. O. King, with his Maxwell 30 horsepower stock car. Oldfield lowered his previous record of one mile to 51 5-6, which is a new coast record for the circular track. With the exception of this performance, Oldfield had to take second place in the list of racing honors, as the world's champion met defeat in both the five and fifteen mile handicap events, and in both races King and his Maxwell were the victors. In fact, King proved the surprise of the meet, driving all of his races with much judgment and taking the turns with his car as close to the fence as did Oldfield. In the five mile handicap, Oldfield drove his Knox racer to the utmost, but the handicap was too strong and he could not get the lead away from King. Not only in the handicap events did King and his Maxwell prove stars of the first order, but in one of the first events of the day, the five mile race for cars costing from \$1200 to \$1600, which was one of the best matches of the meet.

The time for the five mile handicap was as follows: Maxwell, King, 4:40.30; Oakland, Nelson, 4:48.25; Chalmers, West, 4:49.30; Auto Car, finished fourth, and the Knox car, Barney Oldfield driving, fifth.

In the event number eight, ten miles free-for-all handicap, King and his Maxwell again were the winners, the Maxwell's time being 8:19.20.
