WHETHER you live in the city or country, you'll find no .22 calibre repeating rifle like the Marlin Model 1897.

On the farm the rifle is a necessity. The short cartridge is sufficient for sparrows, squirrels and small game; and the long-range cartridge makes the Marlin Model 97 a distinctive weapon for quail, grouse, hawk, etc. up to 200 yards.

The "Marlin Book" of 16 pages, with handsome art cover, is just full of up-to-date information for all gun-lovers and gives full description of all Marlin repeaters. 10¢ PER COPY. For a sample postcard.

Probably the most important soci-  
ety affair of the week was the  
party given Wednesday evening by  
Mr. and Mrs. Chester P. Newlin to  
the Kaffee Klatch and several spe-  
cial guests. Forty-eight were pres-  
ent. Losses in abundance were used  
in decoration and a two-course lunch-  
eon was served. Prize winners for  
the evening were: Mrs. Franc  
Wilhelm first ladies' prize; Mrs. De-  
yle Green second and Mrs. E. D. Sel-  
der consolation; gentlemen: Mr. De-  
yle Green first and R. W. Logan con-  
solation.

Two important lodge events were  
held this week. One was when the  
local Rebekah lodge entertained at  
the lodge home in honor of Mrs. Addie  
Grout and Mrs. Mary Fraker, who  
have been recently honored with high  
offices in the state assemble, and  
when Mrs. Fred Schilke entertained  
the G. L. A. of the B. of L. E. in  
honor of Mrs. Frank Jackson, who  
returned this week from Detroit  
where she went as a delegate to the  
grand lodge of the order.

Mrs. Fred Schilke entertained her  
Sunday school class of the Episcopal  
church last evening. The class of  
fifteen is preparing to undertake a  
piece of extra work, and while the  
matters were discussed Mrs. Schilke  
entertained them very informally.

The W. C. T. U. had a very pleas-  
ant social meeting yesterday after-  
noon at the residence of Rev. Frank  
E. Gray, No. 1104 M. Ave. The next  
meeting to be held June 30, at which  
there will be business of importance.  
A full attendance is desired.

Mrs. Vincent Palmer yesterday  
afternoon entertained the afternoon  
section of the Kaffee Klatch. Cards  
are not the amusement at the after-  
noon section, handwork with needles  
being the purpose of the gatherings.

Sixteen girls of the city are being  
drilled for a pantomime to be a fea-  
ture during the Chautauqua. Skilled  
instructors have the work in hand.

### LOCAL SPORTLETS

(Continued from page 2)

Three straight at home now, means  
no more Sunday picnics or fishing ex-  
cursions for the same length of time.

Cove plays at Union; Huntington at  
Baker City tomorrow. Baker City af-  
firms she is going to lose no more  
games this year.

Improvised rules will govern the  
"imitation" water polo game at the  
river July Fourth. This is done so  
that the audience can "catch" on  
with ease.

Enterprise has a baseball scribe  
that is on the job strong. His slang  
is there, and he seems to know the  
game too, from the way the Enter-  
prise News Record dopes up the af-  
termath.

Swimming rules, order of high and  
fancy diving, and other A. A. U. rules  
pertaining to water sports are being  
the rules are not complicated, how-  
ever, and the spectator can readily  
understand all that is going on

Bessler is another new face who  
will be seen tomorrow. He is a Sum-  
mer boy who has made good in all the  
bush leagues he has struck, and his  
workouts have been highly satisfac-  
tory. Then too he is a real utility

man, playing handily and with good  
effect behind the bat or on the initial  
sack.

The lineup when La Grande meets  
the Joseph contingent tomorrow is  
problematical. La Grande has a  
double infield, almost now, and some  
of them are really clever, and others  
first rate. There should be something  
stirring alright tomorrow afternoon.

With "Doc" or "Shorty" Horton—  
he will answer to either cognomen  
—on the score book tomorrow, La  
Grande will get a first-handed view  
of how Fielder Jones, the ex-Chicago  
champion leader, teaches the game.  
Horton is one of the diminutive sort  
but is there on fielding and carries a  
batting average that makes the com-  
mon herd envious.

My son Rex was taken down a year ago with lung trouble. We doctored some months without improvement. Then I began giving Dr. King's New Discovery, and I soon noticed a change for the better. I kept this treatment up for a few weeks and now my son is perfectly well and works every day.
