LADIES PROMISE ASSISTANCE

CHAUTAUQUA WILL BE AIDED BY MANY WOMEN BOOSTERS

Plans for Continental Congress Are Rapidly Assuming Shape.

La Grande women—always loyal to support any public venture—have seized the traces in the Chautauqua movement and will help the executive committee in rounding up financial affairs of the Chautauqua. Some time ago the ladies of the city braved the winter storms to solicit promises for season tickets, and in many instances these promises have been converted into cash, but in other instances not, and it is now the intent of a large delegation of women to again tramp the city for the cash on the promises and to solicit other tickets. The work will be commenced at once.

This is but an instance of the general support given the initial Chautauqua movement in this city. A great many elements are behind the movement and the spirit of patriotism to a La Grande movement is on the surface everywhere.

The continental congress is rapidly rounding into shape and great promises are being made for something unusually attractive on that occasion. The appointments are being made and a great galaxy of orators and speech-makers will be on the stage when the curtain rises on the reproduction of the old congress. The sittings, attire and "lines" of the speakers will be historically true in every respect.

WHY SHE SUCCEEDS.

Mrs. Edwards Keeps in Touch With What the Public Wants, Always.

Hot Lake, June 21.—Special—Perhaps the secret of the popularity of Mrs. Vera Jane Edwards, who conducts a recital here tomorrow night, is she has studied the public and is wise enough to introduce into her programs only that which people care for and enjoy—to entertain and amuse and instruct but also to speak the word which shall up-lift, cheer and help is her endeavor.

Her best classical number will be "A Marble Dream's Awakening to Spiritual Consciousness."

She will also give a group of light character songs, entitled "Is Dancing Sinful?" "Nobody Knows the Answer." After the program the guests will be invited to join in an informal dance. All lovers of music and friends who are interested in the affairs of the sanatorium are cordially invited.

The principals are: Mrs. Vera Jane Edwards, Literary Interpreter and monologist, assisted by Mr. Frank A. Bridges, of La Grande; Miss Bertha Fowler, of Portland; Mr. C. P. Ferrin, La Grande and the Hot Lake Sanatorium Orchestra. Director, Prof. Fred Seleck.

SMALLEST ATHLETE.

Remarkable Midget Who Amazed Emperor William by His Cleverness. Prince Atom, at present in Germany, but soon to visit this country, is the smallest midget in the world and in

many ways the most remarkable. While the child of normal parents, he stands just a little over two feet high and is as intelligent as the average person and speaks several languages fluently. The prince is extremely fond of all outdoor and indoor sports and is quite an acrobat. In Berlin recently he performed before the children of the German crown prince and delighted them by his feats as well as his wit.

She Gave Him an Answer.

A business man said to his wife at dinner: "Here is a riddle for you, my dear. Why is a husband like dough?" The answer to this riddle was, "Because a woman needs him." The business man expected his wife to give the riddle up or else to guess that answer. But his wife said calmly: "Why is a husband like dough, eh? Well, I suppose it's because he's so hard to get off one's hands."

Maxwell Wins

Thrills followed thrills as speeding automobiles shot around the course of the Ingleside Race Course, on April 24th, in the second and final day events of the successful meet promoted by the members of Islam Temple of the Mystic Shrine. The honors of the day were divided between Barney Oldfield, with his 200 horsepower Benz machine, and C. O. King, with his Maxwell 30 horsepower stock car. Oldfield lowered his previous record of one mile to 51 5-8, which is a new coast record for the circular track. With the exception of this performance, Oldfield had to take second place in the list of racing honors, as the world's champion met defeat in both the five and fifteen mile handicap events, and in both races King and his Maxwell were the victors. In fact, King proved the surprise of the meet, driving all of his races with much judgment and taking the turns with his car as close to the fence as did Oldfield. In the five mile handicap, Oldfield drove his Knox racer to the utmost, but the handicap was too strong and he could not get the lead away from King. Not only in the handicap events did King and his Maxwell prove stars of the first order, but in one of the first events of the day, the five mile race for cars costing from \$1200 to \$1600, which was one of the best matches of the meet. The time for the five mile handicap was as follows: Maxwell, King, 4.40.30; Oakland, Nelson, 4.48.25; Chalmers, West, 4.49.30; Auto Car, finished fourth, and the Knox car, Barney Oldfield driving, fifth. In the event number eight, ten miles free-for-all handicap, King and his Maxwell again were the winners, the Maxwell's time being 8.19.30.
