"Zaza" Pleases Big Crowd.

The Ethel Tucker Stock company's opening play "Zaza," completely captured the large audience at the Air-dome last night, excellent acting and fine scenic effects going to make one of the most pleasing attractions seen in La Grande in years.

Miss Tucker in the title role was simply exquisite, and her support was good, the pathos as well as the

bubbling comedy giving everyone a chance to display their ability to the best advantage. Miss Luise Kelly as "Floraine", Miss Maynon Stewart as "Nathalie", Miss Godfrey as the Aunt, deserve special mention; in fact, the whole company acquitted themselves admirably. Little Miss Coolidge received quite an ovation.

In a little more than a year one of

Bend's banks has seen its deposits increase five-fold. Last week the postoffice was crowded out of its old quarters into larger ones by the increase in its business and the postmaster's salary raised 25 per cent.

The Cove cherry crop will be one-third larger than last year.

O. A. C. summer school will be well attended.
