There is something for all ages at the Isis Again this evening.

"Land of Oz" is something that will please the children and the other two films are exceptionally fine in filmdom. Every inch is worth seeing and the large audience last evening was perfectly satisfied with the program that is to be repeated again this evening.

DEMOCRATS TO HEAR FOLK

LA GRANDE WILL BE NECCA FOR MANY DEMOCRATS

Pendleton Promises to Bring Large Delegation to La Grande

Pendleton will send a strong delegation to hear Hon. Joe Folk, who speaks at the La Grande Chautauqua assembly on July 7th. This is the information given out by President Tod Rinehart and Secretary George Cochran who returned from the county seat of Umatilla county last evening after having spread the Chautauqua gospel to that city and posted window cards. They say there is a move on foot to get a special train from Pendleton to carry the Folk admirers with every indication of success. Pendleton feels very kindly toward La Grande and is delighted at being permitted to attend a Chautauqua assembly in Eastern Oregon. While they wish the event was to be held in their own city they do not in any way regret that La Grande took the lead in this matter.

That there are still a few simon pure democrats in Pendleton will be demonstrated when the train for Folk day is manned. Years ago when C. S. Jackson, better known to newspaper men as "Jack," started the East Oregonian democracy was strong in Umatilla county. Then came a reaction and "Jack" was about the only old line democrat at the polls. He stuck fast and won a number over to his way of thinking and established a following that has never left him. All of these men are ardent Folk supporters and most of them will be here on July 7th. Then there are a large number of people in Pendleton who admire Folk regardless of his political affiliations and they will also come which will increase the number materially.

If Baker City comes through with her old stalwarts, La Grande will resemble a democratic convention on July 7th.

"Galley Slave" at the Airdome
La Grande will have an opportunity of seeing a play that has a record of three seasons in New York City, in the Gale Slave, which will run three nights at the Airdome, beginning tonight. Nothing but praise has been heard for Miss Tucker and her

company, in fact it is the consensus of opinion that this is without doubt the best stock company that has ever "Slaved" tonight at popular prices.

Maxwell Wins

Thrills followed thrills as speeding automobiles shot around the course of the Ingleside Race Course, on April 24th, in the second and final day events of the successful meet promoted by the members of Islam Temple of the Mystic Shrine.

The honors of the day were divided between Barney Oldfield, with his 200 horsepower Benz machine, and C. O. King, with his Maxwell 30 horsepower stock car. Oldfield lowered his previous record of one mile to 51 5-6, which is a new coast record for the circular track. With the exception of this performance, Oldfield had to take second place in the list of racing honors, as the world's champion met defeat in both the five and fifteen mile handicap events, and in both races King and his Maxwell were the victors. In fact, King proved the surprise of the meet, driving all of his races with much judgment and taking the turns with his car as close to the fence as did Oldfield. In the five mile handicap, Oldfield drove his Knox racer to the utmost, but the handicap was too strong and he could not get the lead away from King. Not only in the handicap events did King and his Maxwell prove stars of the first order, but in one of the first events of the day, the five mile race for cars costing from \$1200 to \$1600, which was one of the best matches of the meet.

The time for the five mile handicap was as follows: Maxwell, King, 4.40.30; Oakland, Nelson, 4.48.25; Chalmers, West, 4.49.30; Auto Car, finished fourth, and the Knox car, Barney Oldfield driving, fifth.

In the event number eight, ten miles free-for-all handicap, King and his Maxwell again were the winners, the Maxwell's time being 8.19.30.

YOU'LL BE STRUCK WITH AMAZEMENT

If you could see how some factory made clothing is put together. The skimping of materials, the inferior interlinings. But none of these things occur in a suit of our tailoring. That's why one suit of ours will outlast two of the factory made. Order one and the wear will prove it.
