GET RETURNS AT THE BRIDGE.

Observer will Extend Prize Fight Returns to Other Crowds.

Feeling the necessity of being as liberal as possible with free prize fight returns, the Observer has extended its Monday afternoon service to include those who attend the water sports at the park Monday afternoon. The returns will be read from the bridge with as much detail and they will be in front of the Observer office, and those who care to witness the water sports will hear the rounds read off with dispatch. This is not a part of the Chautauqua attraction of course, but merely to accommodate those who are anxious to attend the sports and to get the returns. The returns and the water sports will start at 1:30, provided the fight starts on time. In this way the audience there may have two attractions, and the Observer is being freely complimented for the extension.

LOOKING OVER PROJECT

F. B. Merrill of St. Paul is in the City Looking for Investments

A. B. Jacobs, O. C. Finklenburg and F. B. Merrill left this afternoon by auto to look over the Powder Valley irrigation project and also to visit Eagle Valley. Mr. Merrill is from St. Paul. This is his first trip to Baker county and he is very much impressed with the opportunities there are here for making money. He is interested in the old road grant known as the Ontario-Albany road grant, which runs across the southern part of the state.—Baker Herald.

IT CERTAINLY LOOKS GOOD
to the children when they see the delicious bread made from the North Powder Best of the Best Patent flour. It is a meal for the little ones, with butter, jam or jelly, that is wholesome and muscle building. It looks good also to the housewife when she sees the golden brown crisp and the white bread inside when it comes from the oven. It also smells appetizing when made from Best of Best Flour.
