## GIRL FALLS FROM SEAT

ARM BROKEN IN TUMBLE FROM AUDITORIUM PLANK

Five-Year-Old Girl Meets with Painful Accident at the Park.

A painful accident yesterday afternoon marred the incidents at the Chautauqua grounds when Elenor Harvey, five-year-old daughter of Mrs. E. B. Harvey, fell from the high seat in the rear of the auditorium and sustained a fracture of one arm below the elbow and wrist. ### "Across the Desert" Tonight.

Te Ethel Tucker Stock Co., has at last struck a responsive chord with La Grande audiences, for the comedy drama, "Across the Desert," has been received better than any play yet put on by this clever company.

The strain of comedy running through the piece keeps you laughing all the time. Messrs. James and Simpkins as the Indian and Chink are simply great in these characters.

### To the Public.

Anyone claiming any clothes lost in our recent fire can obtain a prompt settlement by presenting claim to me.

Anyone knowing themselves indebted to us would confer a favor by making a prompt statement. After our recent loss we need the money. I can be found for a few days at Van Buren's cigar store.

DR. BUCHANAN IS WELL VERSED IN LAWS AND CUSTOMS OF THAT COUNTRY.

His lecture on Darkest Africa Well Received by all Visitors at Chautauqua.

According to the general opinion of all who have been in attendance at the Chautauqua, Dr. Davidson Buchanan is one of the strong men on the program. Last night he took his audience through darkest Africa and there was not a moment that some point of interest in that country was not portrayed. Such lectures are instructive and give everyone the benefit of what has taken Dr. Buchanan years of work and heavy expense to learn.

Tomorrow night he will talk on New Zealand and her government. He is a close student of the New Zealand form, which has gained considerable popularity in this country, and will give facts pertaining to that nation as he found them. It will be remembered that New Zealand is the one country where people are not supposed to amass fortunes, and everything is done on the community plan. The government owns all public utilities and manages many lines of business.

### MEN WANTED.

No Man Over 45 Years of Age Need Apply.

There's the sign that's getting to be a common thing in America. Corporations are retiring men at 50. They are not hiring anyone over 40.

A baldheaded man usually looks 10 years older than he is.

A man with gray hair always does. It is important nowadays that a man should look as young as he is; it is vastly more important that a man with a family dependent upon him should take care of his hair.

If your hair is falling out, stop it. If you have dandruff, get rid of it by killing the germs.

If your hair is fading, don't delay. There is one sure remedy that will cure these misfortunes and aid you to remain young.

Parisian Sage, the grand and efficient hair restorer, is guaranteed to permanently remove dandruff in two weeks, or we will give your money back.

Parisian Sage stops falling hair—it prevents hair from fading.

It is the best beautifier of ladies' hair as it makes harsh, lusterless hair fluffy, soft and beautiful. It is a most refreshing and daintily perfumed dressing, not sticky or greasy.

Parisian Sage is sold and rigidly guaranteed by us. Price 50 cents a large bottle, or by express, all charges prepaid, by the American makers, Giroux Mfg. Co., Buffalo, N. Y. The girl with the auburn hair on every bottle.

A. B. C. Laundry Will Handle Cherry's Business.

As a courtesy to Mr. Cherry and to the public in general, Dunn Bros., of the A. B. C. laundry have taken over all of the Cherry laundry business and will care for it until Mr. Cherry can get his new plant and re-establish his business which was burned in yesterday's conflagration. Patrons of the Cherry laundry are assured that the wagon will call as usual and that their stock will be handled in the best possible manner. It is well to bear in mind that help is very scarce and with the additional work it may cause the A. B. C. laundry to strain every point to give service, but everything will be attended to as promptly as can be done, everything being considered.
