YOU'LL BE STRUCK WITH AMAZEMENT

If you could see how some factory made clothing is put together. The skimping of materials, the inferior interlinings. But none of these things occur in a suit of our tailoring. That's why one suit of ours will outlast two of the factory made. Order one and the wear will prove it.

AGED 95 YET ON LONG WALK

SALT LAKE RESIDENT ATTEMPTS DIFFICULT FEAT.

With Nearly One Hundred Years to His Credit, Attempts a Long Walk.

Feats that will rival that of the great pedestrian Weston, are being attempted by Marquis Colf, a resident of Salt Lake, who reached La Grande this morning, on a walking expedition from Salt Lake to Seattle. While that particular feat is not so unusual, the strange part of the incident in this particular case is that Colf claims to be ninety-five years of age, and looks the part, too. He says he has been on the road about two weeks, and expects to "plug along" until he reaches his destination.

He walks mostly at night, sleeping along the road or railroad track during the daytime. Some times, too, he braves the heat of the day and plods patiently on toward his destination. If he accomplishes the feat and is actually ninety-five years of age, he will have done something that will be embossed on the pages of athletic history.

"Can be depended upon" is an expression we all like to hear, and when it is used in connection with Chamberlain's Colic, Cholera and Diarrhoea Remedy it means that it never fails to cure diarrhoea, dysentery or bowel complaints. It is pleasant to take and equally valuable for children and adults.
