TEAM STANDING IN DOUBT

ELGIN DID NOT PLAY YESTERDAY AS ANTICIPATED.

Difficult to Determine the Standing—Tournament Planned.

Inter-County League.

	W	L	PC
Elgin	5	2	750
La Grande	5	4	555
Enterprise	5	4	555
Joseph	1	7	125

The baseball situation in Union and Wallowa counties is somewhat awry, and the standing of the teams is hard to ascertain. The table given above, is computed on the basis that Elgin won the disputed game with Enterprise a few weeks ago, and also on the supposition that Elgin does not get credit for yesterday's forfeit. Joseph notified Elgin that she was disbanded and could not play at Elgin yesterday according to schedule, and "forfeited the game". As there is no organization and no team at Joseph, she can't "forfeit" any game, and the standing above is based on that opinion.

Tournament on Foot.

A tournament between the winners of the Umatilla county league, and the leaders of the Inter-county league and the Eastern Oregon league at the time the explosions occurred, is now being arranged and it is likely that it will take place next week. These conditions would bring together Weston, Elgin and Cove at Elgin, for about seven games.

Enterprise and La Grande played a loose game here yesterday. Enterprise winning 16 to 6. Both teams contracted cometic fever and went way up before settling down to customary playing. Browne was in the box for La Grande, but the game was never interesting.

"SIGN OF THE CROSS" ENDS SADLER ATTRACTIONS

Dramatizations of "The Sign of the Cross" have been seen and heard by the most of us, and nearly all of us have heard the masterpiece recited, but none, no doubt, have heard a more stirring delineation of the characters portrayed in that story than did some four hundred last night when the closing number of the Doctor Sadler company was read at the Chautauqua grounds. Miss Wilmer's recital was in a class by itself. The thrills, the pathos and flow of masterly diction that fill "The Sign of the Cross" from cover to cover, were manipulated with rare skill by Miss Wilmer. The story of persecution of the Christians at the hands of Nero and his lieutenants, the passionate love story interwoven with the blood curdling scenes were all told in Miss Wilmer's own interpretation of the characters. The recital was a fitting close of the Sadler company's stay in La Grande.

It is doubtful if any other team or Chautauqua attraction could have won such warm places in the heart of La Grande, as did the Sadler company. They have simply captured La Grande with a whirl and it was with deep regret that the Chautauqua-going public, parted with the company last evening.

Yesterday morning Doctor Sadler delivered a rare bit of a sermon on

"Health and Righteousness," and during the afternoon he addressed an interesting crowd of men on topics not discussable with a mixed audience, during this age of prudery. At the same hour similar subjects were handled by Doctor Lena K. Sadler to a crowd of ladies, and the only regret expressed was that the entire population of La Grande did not hear them. The Chautauqua management is deserving of the highest praise for bringing such an attraction to La Grande.

"Can be depended upon" is an expression we all like to hear, and when it is used in connection with Chamberlain's Colic, Cholera and Diarrhoea Remedy it means that it never fails to cure diarrhoea, dysentery or bowel complaints. It is pleasant to take and equally valuable for children and adults.
