

# SUNDAY GAVE A GOOD CROWD

HAUTAQUA REGISTERED BIG ATTENDANCE YESTERDAY.

Today the Great Magician Begins His Wonderful Work.

A very large crowd attended the Haultauqua gathering yesterday and the day was spent in a most pleasant manner. Aside from the cool shade and delightful surroundings, the Sadler family gave what is pronounced by all, one of the best features of the entire assembly. Seeming to save the best until the last this noted family of entertainers surprised even their strongest admirers by the event of yesterday and when they had finished, many La Grande people took occasion to personally congratulate the Sadlers and express a wish that they might return to this city often, assuring them of good patronage at any time. This afternoon the Castle Square entertainers held the stage and gave everyone an idea of what is in their line. Without doubt they have one of the best male quartets that appear in

public and the selections rendered by it were heartily received.

Tonight the Castle Square entertainers will prelude the magician with several numbers and then Prof Edwin Brush, who outshines Herman, will give his entertainment in magic. Not only does he perform the time honored stunts and do them well, but he has added many features to his program that can only be seen at a Brush entertainment. He turns a live rabbit into ashes and then with the touch of his wand, brings the rabbit back to life. He carries a whole menagerie of living creatures and his excess baggage was more than a thousand pounds.

### NEW TOWN PLAT ACCEPTED.

Lostine Townsite Struggle Culminates in Plat That Is Recorded.

The struggle over the new townsite at Lostine has resulted in the platting of a new town to be known as Evans, near the O. R. & N. station there. The plat was presented to the county court and accepted. The county clerk was ordered to record the plat, relates the Enterprise News-Record. Considerable effort has been expended pro and con over the matter by Lostine residents. Just what effect, if any, the new town of Evans will have upon the city of Lostine, remains to be seen, although to the casual observer, the most logical outcome will be the growing together of the two places. Anything that aids in the settlement of the one will aid in the settlement of the other.

### BERRY STORE REMODELLED.

Partitions Removed and Store Assumes Finer Appearance as Result.

W. W. Berry's millinery store has assumed a different and more pleasing aspect during the past few days. The new owner of the store has removed the partitions and made the place much larger and interior decorations of various sorts have improved the general appearance immensely. Mr. Berry is determined to operate an up-to-date establishment, and commenced his campaign by giving a general overhauling to the room in which the store is housed.

## Maxwell Wins

Thrills followed thrills as speeding automobiles shot around the course of the Ingleside Race Course, on April 24th, in the second and final day events of the successful meet promoted by the members of Islam Temple of the Mystic Shrine.

The honors of the day were divided between Barney Oldfield, with his 200 horsepower Benz machine, and C. O. King, with his Maxwell 30 horsepower stock car. Oldfield lowered his previous record of one mile to 51.5-6, which is a new coast record for the circular track. With the exception of this performance, Oldfield had to take second place in the list of racing honors, as the world's champion met defeat in both the five and fifteen mile handicap events, and in both races King and his Maxwell were the victors. In fact, King proved the surprise of the meet, driving all of his races with much judgment and taking the turns with his car as close to the fence as did Oldfield. In the five mile handicap, Oldfield drove his Knox racer to the utmost, but the handicap was too strong and he could not get the lead away from King. Not only in the handicap events did King and his Maxwell prove stars of the first order, but in one of the first events of the day, the five mile race for cars costing from \$1200 to \$1600, which was one of the best matches of the meet.

The time for the five mile handicap was as follows: Maxwell, King, 4.40.30; Oakland, Nelson, 4.48.25; Chalmers, West, 4.49.30; Auto Car, finished fourth, and the Knox car, Barney Oldfield driving, fifth. In the event number eight, ten miles free-for-all handicap, King and his Maxwell again were the winners, the Maxwell's time being 8:19.30.
