"Man from Mexico" Tonight.
The "Man from Mexico," Willie Collier's great bill, will open tonight at the Air dome with a full cast of twelve people.
There is nothing but fun in this excellent play—and the interpolated music and continuous round of specialties between acts, will make one of the best shows ever seen in La Grande.

New Use For the Telephone.

The rural telephone is becoming more and more a thing of daily convenience and in one state is entering a field that is unusual and yet useful, for it is becoming the disseminator of the Sunday sermon. This experiment is being made in Olathe, Kan., and has so far proved a great success. Three churches in the town are using the service, which is especially for the old and sick. Each church is fitted with a transmitter containing an extremely sensitive microphone arrangement and provided with special batteries and coils. The transmitter hangs suspended from a rod in front of the pulpit without obscuring the congregation's view of the minister. As the sermon is delivered the transmitter takes in the tones and carries them over the wires to the various listeners.

WORLD'S RICHEST BOYS.

The Field Youngsters, Who Want to Come Back to America.
Most youngsters imagine that if they only had plenty of money they could be happy anywhere, but a month or two away from "ma" and "dad" soon changes this idea. Take the case of the two richest boys in the world, Henry and Marshall Field, grandsons of the late Marshall Field and chief

heirs to the hundred million dollars left by the Chicago merchant. They have been at Eton college, in England, since last fall and have now become so homesick they threaten to run away to sea unless allowed to return home.
The eldest of the two boys, Marshall Field 3d, is destined to become Chicago's foremost millionaire, the sole bearer of the name of Marshall Field. Until he reaches his majority he will be trained mentally and physically for the work of conducting the business of the largest mercantile house in the world. He has always loved the great interests of which his grandfather was the head and is known by scores of employees in the big Field establishment.

Maxwell Wins

Thrills followed thrills as speeding automobiles shot around the course of the Ingleside Race Course, on April 24th, in the second and final day events of the successful meet promoted by the members of Inan Temple of the Mystic Shrine.
The honors of the day were divided between Barney Oldfield, with his 200 horsepower Benz machine, and C. O. King, with his Maxwell 30 horsepower stock car. Oldfield lowered his previous record of one mile to 51 5-8, which is a new coast record for the circular track. With the exception of this performance, Oldfield had to take second place in the list of racing honors, as the world's champion met defeat in both the five and fifteen mile handicap events, and in both races King and his Maxwell were the victors. In fact, King proved the surprise of the meet, driving all of his races with much judgment and taking the turns with his car as close to the fence as did Oldfield. In the five mile handicap, Oldfield drove his Knox racer to the utmost, but the handicap was too strong and he could not get the lead away from King. Not only in the handicap events did King and his Maxwell prove stars of the first order, but in one of the first events of the day, the five mile race for cars costing from \$1200 to \$1600, which was one of the best matches of the meet.
The time for the five mile handicap was as follows: Maxwell, King, 4.40.30; Oakland, Nelson, 4.48.25; Chalmers, West, 4.49.30; Auto Car, finished fourth, and the Knox car, Barney Oldfield driving, fifth. In the event number eight, ten miles free-for-all handicap, King and his Maxwell again were the winners, the Maxwell's time being 8.19.30.
