YOU'LL BE STRUCK WITH AMAZEMENT

If you could see how some factory made clothing is put together. The skimping of materials, the inferior interlinings. But none of these things occur in a suit of our tailoring. That's why one suit of ours will outlast two of the factory made. Order one and the wear will prove it.

GIRL VAGRANT IS DEPORTED

ARRESTED LAST NIGHT AND PROMISES TO MOVE.

Leaves La Grande with Promises Never to Return Again.

The road that leads eastward was pointed out minutely this morning to a transient member of the underworld this morning, by the police, and in accordance with the orders from Chief of Police Walden, she boarded the east-bound train this morning. She gave her name as Dora Williams, and last evening, when arrested on a vagrancy charge, quickly decried her character by a flow of language that was fit only for the brothels. She spent the night in the city jail and this morning promised to stay away from La Grande if permitted to move on. She calls Baker City her home.

Police records show she has a checkered career in several Northwest cities, and papers found on her person, and her own statements, qualify her as a member of the underworld, who has no place to hang her hat. She has been in La Grande but a short time. However she soon came to the notice, and as soon as her mission and character became proven she was landed in the toils of the law. She objected strenuously to being locked up in the jail, affirming that the last time she was "pinched" she was permitted to sleep in a hotel room.

Ladies, Why Not Preserve Your Youth and Beauty?

Nothing so detracts from the attractiveness of women as dull, faded, lusterless hair.

There is no excuse for this condition nowadays, because notice is hereby given to the readers of the Observer that Parisian Sage, the quick acting hair restorer, is now on sale at A. Newlin's drug store, and is sold with a rigid guarantee at 50 cents a large bottle.

Since its introduction to America, Parisian Sage has had an immense sale, and here are the reasons:

It is safe and harmless.
It cures dandruff in two weeks by killing the dandruff germ.
It stops falling hair.
It promptly stops itching of the scalp.

It makes the hair soft, glossy and lustrant.

It gives life and beauty to the hair. It is not sticky or greasy.

It is the daintiest perfumed hair tonic made.

It is the best, the most pleasant and invigorating hair tonic made.

Fight shy of the druggist who offers you a substitute, he is unworthy of your confidence.

Made only in America by Giroux Mfg. Co., Buffalo, N. Y. The girl with the auburn hair is on every package.

Immense Peach Crop This Year.

The peach crop in the Milton-Free-water country is something immense this season according to County Fruit Inspector Campbell, who is down from there today, and who is, himself, something of a fruit grower. He says, however, that the prices will not be so good, from the standpoint of the grower, says a Pendleton paper.

This latter announcement will be hailed with delight by the consumer, for fruit prices during the past few years have been regarded as next to prohibitive to the family of moderate means. Even with a record crop of berries this year, the prices have been as high as in the "lean" years. Inspector Campbell says he expects to see the price of peaches go down to 75 cents or lower.

But there is not much hope for the consumer of tomatoes, according to Campbell. He says the crop is better than it has been in years, but that the demand seems to have kept pace

with the supply and that tomatoes are now selling at \$1.25 per box in Milton with small hope of their getting any cheaper.

Notice of Final Settlement.

Notice is hereby given to all concerned, that Angus Shaw, Jr., executor of the last will of Angus Shaw, deceased, has filed in the County Court of Union county, Oregon, his final report in the administration of said estate, and the said court has set Monday, the first day of August, A. D., 1910, at two o'clock, p. m., as the time for hearing said report and all objections to the same.
