

What Good is Father?
 Father has always been the "goat." It was always father who held the family from the achievement of its social ambitions. It was father who made blunders that put the family to shame. Father never would take to the new fashioned ideas. He was against the domination by the younger generation, against suffrage, against women's clubs, against the teaching of French to the children—in a word, a natural reactionary. It was but natural, therefore, that father should become generally known as a back number, useful only in bringing home money and writing checks.—Washington Post.

East Indian Monkeys.
 A naturalist who has traveled in the East Indies says: "The effect on the monkeys of man's appearance is most interesting. The expression of their emotions is certainly almost human as they sit and stare at him, coughing and snarling with anger and contempt, drawing back their heads and throwing the hand before the face with a gesture of abhorrence and other movements indicative of shocked and outraged feelings. But predominant is the expression of absolute horror, which, coming from those we consider our still degraded cousins, is to our superiority very aggravating."

A Healthful Costume.
 When the Fraser highlanders landed in North America in 1757, it was proposed to change the dress on account of the cold winters and hot summers. The officers successfully opposed this and were ultimately justified by the highlanders being the healthiest soldiers in the army. In the campaign in Holland in 1794 some regiments lost as many as 300 from disease, but the Black Watch, which had 300 recruits in its ranks, had only twenty-five casualties, including the killed in battle.

Maxwell Wins

Thrills followed thrills as speeding automobiles shot around the course of the Ingleside Race Course, on April 24th, in the second and final day events of the successful meet promoted by the members of Islam Temple of the Mystic Shrine.
 The honors of the day were divided between Barney Oldfield, with his 200 horsepower Benz machine, and C. O. King, with his Maxwell 30 horsepower stock car. Oldfield lowered his previous record of one mile to 51 5-6, which is a new coast record for the circular track. With the exception of this performance, Oldfield had to take second place in the list of racing honors, as the world's champion met defeat in both the five and fifteen mile handicap events, and in both races King and his Maxwell were the victors. In fact, King proved the surprise of the meet, driving all of his races with much judgment and taking the turns with his car as close to the fence as did Oldfield. In the five mile handicap, Oldfield drove his Knox racer to the utmost, but the handicap was too strong and he could not get the lead away from King. Not only in the handicap events did King and his Maxwell prove stars of the first order, but in one of the first events of the day, the five mile race for cars costing from \$1200 to \$1600, which was one of the best matches of the meet.
 The time for the five mile handicap was as follows: Maxwell, King, 4:40.30; Oakland, Nelson, 4:48.25; Chalmers, West, 4:49.30; Auto Car, finished fourth, and the Knox car, Barney Oldfield driving, fifth.
 In the event number eight, ten miles free-for-all handicap, King and his Maxwell again were the winners, the Maxwell's time being 8:19.30.
