

## ANY SIDINGS IN WALLOWA

& N. ENGINEER SURVEYING  
TRACKS THIS WEEK

adequate Railroad Facilities will be  
Supplied to Beet Growers.

loading sidings are to be construct-  
ed at frequent intervals along the O.  
& N. in Wallowa county. An en-  
gineer from Portland joined here to-  
day by Field Superintendent F. S.  
Hamwell, went on to Joseph this  
morning and wherever desired the  
loading sidings will be surveyed out,  
so that work can start at once. The beet  
fields in Wallowa county are rapidly  
maturing and the company will  
have the loading sidings ready in time  
for shipment of sugar beets to the La  
Grande factory next fall.

Lack of siding facilities was a han-  
dicap last fall when the first crop ev-  
er grown in that vicinity was shipped  
out, but only after long wagon hauls.  
The production of Wallowa in-  
creases, large loading dumps will be  
constructed similar to those used at  
the Hall ranch near Union.

**Colored Knights Meet.**  
Harrisburg, Pa., July 18.—Colored  
Knights of Pythias to the number of  
several hundred are expected here  
during the week, when the order will  
be in session. A public parade of the  
drill companies will be held Friday.

**May Merge Labor Bodies.**  
Denver, Colo., July 18.—A merger  
or at least a working agreement with  
the United Mine Workers of America,  
is the principle subject before the an-  
nual convention of the Western Fed-  
eration of Miners, opened today. It is  
expected that President Moyer and  
Secretary Mills will be re-elected.  
Moyer was defendant with Haywood  
and Pettibone in the sensational trial  
for the murder of former Governor  
Steunenberg of Idaho, but was acquit-  
ted.

### HIS EDITORIAL POLICY.

Mark Twain Made a Clean Breast of  
It to His Readers.

Mark Twain took the editorial chair  
on the Buffalo Express in August,  
1890, and this is the paragraph in  
which he made the readers acquainted  
with his new responsibility:

"I only wish to assure parties hav-  
ing a friendly interest in the prosperity  
of this journal that I am not going to  
hurt the paper deliberately and inten-  
tionally at any time. I am not going  
to introduce any startling reform or  
in any way attempt to make trouble.  
I am simply going to do my plain, un-  
pretending duty—when I cannot get  
out of it. I shall work diligently and  
honestly and faithfully at all times and  
upon all occasions—when privation and  
want shall compel me to do so. In  
writing I shall always confine myself  
to the truth, except when it is attend-  
ed with inconvenience. I shall with-  
eringly rebuke all forms of crime and  
misconduct, except when committed by  
the party inhabiting my own vest. I  
shall not make any use of slang or  
vulgarity upon any occasion or in any  
circumstances and shall never use  
profanity except in discussing house-  
rent and taxes. Indeed, upon second  
thought, I will not even then, for it is  
inelegant, un-Christian and degrading.  
I shall not often meddle with politics,  
because we have a political editor who  
is already excellent and only needs a  
term in the penitentiary to be perfect.  
I shall not write any poetry unless I  
conceive a spite against the subscrib-  
ers."

### TWO WORDS DEFINED.

Difference Between a Sanatorium and  
a Sanatorium.

The words "sanatorium" and "sana-  
torium" are popularly understood to  
have the same meaning and are gen-  
erally used interchangeably when de-  
signating or describing places of re-  
fuge for sick people, but there is, in  
fact, quite a distinction between the  
meaning of the two words. In answer  
to a correspondent on this subject the  
Literary Digest says:

"The distinction between these words  
lies in the fact that they are derived  
from two different Latin roots. 'San-  
atorium' is derived from the late Latin  
sanatorium, meaning health giving. The  
term relates specially to an institution  
for treatment of disease or care of in-  
valids, especially an establishment em-  
ploying natural therapeutic agents or  
conditions peculiar to the locality or  
some specific treatment or treating  
particular diseases.' On the other  
hand, 'sanatorium' is derived from the  
Latin sanitas, from sanus, meaning  
whole or sound. 'Sanatorium' relates  
more specifically to a place where the  
hygienic conditions are preservative of  
health as distinguished from one  
where therapeutic agencies are em-  
ployed.' Hence it is the province of  
a 'sanatorium' to preserve health, that  
of a 'sanatorium' to restore it. Care  
should be exercised in combining the  
proper vowels in these two words in  
order to indicate correctly the deriva-  
tion."

### More Serious.

"Mathilde Browne was very rude to  
an overdressed old woman she met on  
the street car the other day."

"I know the story. The old woman  
turned out to be Mathilde's very rich  
aunt, and now she's going to give all  
her money to a hospital for decrepit  
dogs."

"Nothing of the sort. In fact, it's  
worse. The old woman was the  
Brownes' new cook, and now they  
haven't any."—Cleveland Plain Dealer.

### Mecca of the Buddhists.

Tibet lies between the latitude of  
Rome and Cairo, yet, owing to the  
fact that it is nearly all one series of  
lofty tablelands, its climate is purely  
arctic. There is hardly any rain, and  
biting dry winds send dust or dry  
snowstorms forever raging across its  
inhospitable uplands.

Lassa, its capital, is the Mecca of  
the Buddhist world, and pious Bud-  
dhists gain much merit by making the  
pilgrimage.

## Maxwell Wins

Thrills followed thrills as speeding automobiles shot around the  
course of the Ingleside Race Course, on April 24th, in the second and  
final day events of the successful meet promoted by the members of  
Islam Temple of the Mystic Shrine.

The honors of the day were divided between Barney Oldfield, with  
his 200 horsepower Benz machine, and C. O. King, with his Maxwell  
30 horsepower stock car. Oldfield lowered his previous record of one  
mile to 51 5-6, which is a new coast record for the circular track.  
With the exception of this performance, Oldfield had to take second  
place in the list of racing honors, as the world's champion met defeat  
in both the five and fifteen mile handicap events, and in both races  
King and his Maxwell were the victors. In fact, King proved the  
surprise of the meet, driving all of his races with much judgment and  
taking the turns with his car as close to the fence as did Oldfield. In  
the five mile handicap, Oldfield drove his Knox racer to the utmost,  
but the handicap was too strong and he could not get the lead away  
from King. Not only in the handicap events did King and his Max-  
well prove stars of the first order, but in one of the first events of the  
day, the five mile race for cars costing from \$1200 to \$1600, which was  
one of the best matches of the meet.

The time for the five mile handicap was as follows: Maxwell,  
King, 4.40.30; Oakland, Nelson, 4.48.25; Chalmers, West, 4.49.30; Auto  
Car, finished fourth, and the Knox car, Barney Oldfield driving, fifth.  
In the event number eight, ten miles free-for-all handicap, King  
and his Maxwell again were the winners, the Maxwell's time being  
8.19.30.
