KILL THE GERMS.

That's the Only Way to Cure Dandruff and Parisian Sage is the Only Killer.

"Parisian Sage," said a New York barber, "will kill the destructive and persistent germs of dandruff, and abolish the disease. There may be other remedies that will do the same, but I never heard of one."

And just read what one of the foremost barbers of Springfield, Mass., says of Parisian Sage.

"Dear Sirs: I used your Parisian Sage and found it better than any other. It is the best hair restorer I ever used, and I have used them all. I find it a great dandruff remover also. You should get it into all the barber shops, and get the barbers to use it, as it is great."—Geo. A. Stiltz, 73 1-2 Main Street, Springfield, Mass.

Parisian Sage soaks into the scalp, and when it reaches the roots of the hair, it not only kills every dandruff germ, but it supplies the hair with just the right kind of nourishment to put vigor and strength into it and make it grow.

Parisian Sage is the most delightful hair dressing in the world. Use it one week and you will never give it up.

Parisian Sage is guaranteed by the Newlin Drug Co. to stop falling hair; to cure dandruff; to keep hair from fading; to stop itching of the scalp, or money back. Price 50 cents a large bottle at Newlin's drug store, or by express, charges prepaid, from the American makers, Giroux Mfg. Co. Buffalo, N. Y. The girl with the auburn hair is on every bottle.
