 GLASSES GIVE THE BEST  
 RESULTS.  
 GUARANTEED SATISFACTORY  
 IN EVERY RESPECT.  
 WHEN YOU ARE SICK

It doesn't take a good doctor to  
 tell you that—most anybody could  
 do that much, but to tell exactly  
 the nature of the disease some-  
 times calls for the utmost skill of  
 the physician. Most anybody by a  
 few simple tests could tell that  
 your eyesight was defective and  
 that you needed glasses of some  
 kind, but to diagnose the exact  
 trouble and fit the right glasses  
 calls for more than ordinary skill.  
 We have made that one thing a  
 lifetime study and we are in busi-  
 ness to bring wrong eyes and right  
 glasses together. High-class work  
 at the lowest possible prices.
