### BEAUTIFUL WOMEN

Paris is Full of Them and all Have Fascinating Hair.

In the beauty show three years ago, gold medals were awarded to five different women:

To the most beautiful woman between 20 and 25; between 25 and 30; between 35 and 40, and between 40 and 45.

A society reporter who interviewed all five women in the interest of his paper, reported that all of them had beautiful hair, and that each of the five enthusiastically attributed her luxuriant hair to Parisian Sage.

Parisian Sage is a discovery of a celebrated scientist, who spent the best years of his life to perfect this great hair invigorator.

In giving this recipe to the people he said: "Parisian Sage is the most delightful hair dressing in the world, but it is more than a hair dressing. It cures dandruff by killing the germs strength to the hair roots; it prevents the hair from turning gray."

A Newlin sells Parisian Sage at 50 cents a large bottle and guarantees it to do all that is claimed for it or money refunded. If you do not reside near a druggist who sells Parisian Sage, send 5 cents to Giroux Mfg. Co., Buffalo, N. Y., and a bottle will be sent you by express, all charges prepaid. The girl with the Auburn hair is on every bottle.

**DR. MENDELSSOHN'S GLASSES GIVE THE BEST RESULTS. GUARANTEED SATISFACTORY IN EVERY RESPECT. WHEN YOU ARE SICK**

It doesn't take a good doctor to tell you that—most anybody could do that much, but to tell exactly the nature of the disease sometimes calls for the utmost skill of the physician. Most anybody by a few simple tests could tell that your eyesight was defective and that you needed glasses of some kind, but to diagnose the exact trouble and fit the right glasses calls for more than ordinary skill. We have made that one thing a lifetime study and we are in business to bring wrong eyes and right glasses together. High-class work at the lowest possible prices.
