COMMERCIAL CLUB WILL COLLECT ALL OUTSTANDING DUES AT ONCE

Dues from the members of the La Grande Commercial club are to be collected and an effort made to meet some of the important club deals that are pending, but require finances under way. At a meeting held last night the directors agreed to send out the assistant secretary Monday morning, and at that time Miss Ethel Gulling will commence the campaign.

This the club is considering. The Spokane apple show wants La Grande and Union cities to combine in a large exhibit at Spokane and later at the Chicago apple show. Portland apple show managers are asking for a donation for prizes from the La Grande club the same as others are doing, but that, too, takes money from any point of view whatever, the club is decidedly handicapped and the dues will be collected up to get some working capital. Hence it is but right that the members have their dues ready when the collector comes next Monday.
