Dr. Mendlessohn has been, at the request and endorsement of all the city
physicians permanently located here since August 1, 1909, and during this
period has treated professionally nearly 2100 patients, among them 179 chil-
dren, and can truthfully say that I have succeeded in doing better work and
more work than any man ever did in Union and Wallowa counties. This
proves that I have conducted my practice on a basis that appeals to every-
one. My business is on a square deal to everybody. I rarely hear com-
plaints and am always ready and willing to correct any error that I make.

My 29 years experience in the practice of Optics in itself

to fit your eyes. I am endorsed by the most prominent oculists in Port-
land and all the physicians in the city.
