

**IT CERTAINLY LOOKS GOOD** to the children when they see the delicious bread made from the North Powder Best of the Best Patent flour. It is a meal for the little ones, with butter, jam or jelly, that is wholesome and muscle building. It looks good also to the housewife when she sees the golden brown crisp and the white bread inside when it comes from the oven. It also smells appetizing when made from Best of Best Flour.

**The Land of Opportunity**

Union County where crop failures are unknown; whose large diversified interests appeal to all; whose payrolls are second to only one county in the state of Oregon.

With all our present activity and development we are just entering upon an era of advancement.

A drive through beautiful Grande Ronde valley at this season when the golden fields are delivering their annual bounteous yields, when thousands upon thousands of fruit trees are bearing heavy loads of apples that will enter the markets of our own and foreign lands, green alfalfa fields with constantly increasing acreage, telephone lines running everywhere rural deliveries, numerous school houses and churches, prosperous homes,—all bespeak the certainty of investment and the insurance of independence.

Who are the money kings of Grande Ronde? The farmer, whether wheat grower, fruit grower, or stock raiser—in short the land owner. Enough said.
