

## Have a Summer Without Headaches

Summer should be a recreation time, a time when life is really enjoyed and when vitality is stored for the more trying seasons.

The pleasure of many people is spoiled by headaches. Travel, outings or exposure to the sun is apt to bring on this affliction. Don't have headaches this summer. Keep a supply of our

### PERT PARAGRAPHS.

**GOSSIP** is the circulating medium with which the talkative portion of the community gets paid for its hard work.

Often a mischief maker is merely a born boss in a subordinate position.

Remaining young seems to be about the only thing that youth is incapable of doing if he works at it long enough.

There are women who can shed tears as easily and as pathetically as counsel for the defense.

Ever notice that you never meet anybody on the road to ruin?

When the labels that they paste on themselves peel off it is hard to tell what some people are.

When comfort speaks to them most men can understand her no matter what language she uses.

Women are often foolish, but at that they don't hold any edge over the men.

Moral courage is a good thing, but don't mistake a tough pachyderm for it.

**A Happy Loss.**  
Lose your grouch; you'll never miss it. Though at first it may seem queer to be just a trifle decent. To the people who are near, But with very little practice, Sawing wood from day to day, You can make yourself attractive. With a grin nailed on to stay.

There is little satisfaction, Nor is life the more complete, If you bite the heads from people. Whom in daily rounds you meet, And the mumpsup isn't pleasant. When that little trick you try, They can never sue for damage. If you smile and pass them by.

You may think it lends distinction If you jog along the way With a grouch on exhibition. Every moment of the day, But when friends who see you coming Make excuse to turn away You will find the load is hardly Worth the freight you have to pay.

Be the little ray of sunshine. To the people that you meet. Let them feel when you are coming. That it brightens up the street. It's the only way to travel. Every smile will be a boost. And you'll find it worth the trouble. When the chicks come home to roost.

**Right System.**  
A copyrighted his new drama, for he'd heard it stated. It was safer. And it was—the public never got a look! B wrote a play, and B. he got his product vaccinated. Instead of copyrighted. And, by gosh, it took!  
—Cleveland Leader.

**Tactless.**  
"May has lost her chance to marry that rich young man."  
"Is that so?"  
"Yes; she hasn't any tact at all. He asked her the other evening if she objected to his smoking in the house, and she said she did."—Detroit Free Press.

**A Pessimism.**  
This world is but a whirling thing That rushes on through space; It always travels in a ring. Back to the same old place. And we who cling as best we may Unto its fragile shell Repeat experience day by day. With nothing new to tell.  
—Washington Star.

**Passes on Trouble.**  
The man of mirth goes through the world. With a care or sorrow. Today suffering and pain. Tomorrow it's all over. He's ready to go by chance. A man from whom to borrow.

### PERT PARAGRAPHS.

Perhaps the worst failing that the gossip has is a burning desire to see an idle rumor get busy.

No woman's vanity is dead until she refuses to wear a picture hat.

An ounce of luck is a wonderful help to any amount of pluck anyway.

When you have nothing else to do ask the handy man to do a bit of repair work, and spend the ensuing time waiting for him to do it.

It takes a really skillful person to be good and a clever one to stay that way.

You can't use your friends as much as you would like to because they are generally so busy using you.

His Satanic majesty is generally dead willing to light our pathway when we feel that darkness envelops it.
