KILL EVERY ONE.

National Crusade Against Dandruff Germs Now Being Waged in America.

"The dandruff germ is the greatest American pest of today," declares one of the world's greatest scientists and students of diseases of the hair.

In a recent interview he said, "The germs of the dandruff are not soon annihilated, the United States will some day be known as the hairless nation. The Americans must wage a relentless war of extermination at once, and I am going to help them."

"My receipt for killing dandruff germs, 66andtha aontk aontk aontk germs, well known as Parisian Sage, is now being manufactured in the United States."

There is only one way to cure dandruff, and that is to kill the dandruff germs.

There is only one preparation that will kill the dandruff germs and that is Parisian Sage.

Parisian Sage is now manufactured in Buffalo, N. Y., by the Giroux Mfg. Co., and agencies have been established in every town in America.

You take no risk in buying a bottle of Parisian Sage. Newlin Drug Co. is the agent in this city and they will guarantee Parisian Sage to cure dandruff, stop falling hair, remove all diseases of the scalp, or money back.

Parisian Sage is the most marvelous hair dressing and tonic; it makes the hair beautiful, soft and luxuriant in one week. It causes hair to grow if the hair root be not altogether dead. The price is only 50 cents a large bottle at Newlin's drug store, or by express, charges prepaid, from the Giroux Mfg. Co., Buffalo, N. Y. The girl with the auburn hair is on every bottle.

Finer Grade.

A smooth spoken gent dropped into a quiet village from nowhere, but as he stung around such a lovely line of conversation nobody asked for references. Soon he was running the band and the baseball team and leading a class in Sunday school.

Everybody said, "He is a brick." Some months later he departed with a neat roll stowed away in his jeans. The villagers had for theirs a nobby lot of stock, that was beautifully engraved, in a rubber plantation. The months came and went. The sun rose, evorted across the sky and set many times, but the promised dividends never came. But still they were loyal. They rose up as a man and reaffirmed their belief in him, only putting it stronger.

"He is a gold brick," was what they said.
