

### SPORTSMAN and TELEPHONE

**EVERY TIME** a man wants to get away from all connection with the busy world, the telephone is an important helper.

The local service is useful in arranging his affairs at home, and the Long Distance service of the Bell System helps him to decide where to go and what to take.

By means of his Bell telephone he can find out whether the fish are biting or the birds are flying, and whether guides or horses can be secured.

After he has been out a while if he wants to get word from the city, the nearest Bell telephone is a friend in need.

### THIS SPACE TAKEN BY M. & M. CO.

**A Filthy Condition.**  
Many a man, otherwise scrupulously clean, is dandruff dirty. The small persistent germs of dandruff, working

night and day, are constantly throwing off the small, white dandruff scales, which, falling on the shoulders of a coat, gives it a filthy appearance, and is repulsive.

Many men allow this condition to exist because they believe there is no cure for dandruff; they have tried various so-called cures with unsatisfactory results, and naturally condemn all.

They have never heard that one of the world's leading scientists has discovered a certain formula that has cured thousands upon thousands of the most chronic cases of dandruff in anywhere from six days to two weeks.

This famous prescription is called Parisian Sage, and is now put up in America, but only by the Giroux Mfg. Co., of Buffalo, N. Y. It is for sale in La Grande at the Newlin-Drug store, which firms guarantees it to cure dandruff in two weeks, or money back. Large bottle 50 cents. The girl with the auburn hair is on every bottle.
