to the children when they see the delicious bread made from the North Powder Best of the Best Patent flour. It is a meal for the little ones, with butter, jam or jelly, that is wholesome and muscle building. ## BUYS 7000 ACRES FOR SHEEP

**FENDLETON SHEEP MAN TAKES OVER BIG TRACTS**

Seven Thousand Acres Purchased From Grande Ronde Company

Joe Vey, the Umatilla sheep raiser, has just completed a deal whereby he adds materially to his sheep range, and gives Mr. Vey 20,000 acres of Union county land that is his own—dedicated—for him to run his sheep on.

The purchase was made from the Grande Ronde Lumber company and the acres included in the deal number 7,000. All this land makes fine range for sheep. With his new possessions, Mr. Vey contemplates going into the sheep business on a more extensive scale than ever.

### WATERWAYS CONVENTION

Scores of Noted Men Gather at Atlantic Waterways Congress.

Providence, R. I., Aug. 31.—An inland water route from Maine to Florida is the ambitious project fostered by the Atlantic Deeper Waterways Association, which convened here today in third annual session. Although President Taft has cancelled his engagement to address the convention, scores of other noted men are on the program for addresses. Congressman J. Hampton Moore, of Philadelphia, president of the association, Comptroller Robert E. Peary, the North Pole discoverer, has agreed to deliver an address tomorrow.

Much money has been spent in furtherance of the waterways scheme since the last meeting of the association, including a large part of the \$100,000 appropriated for a survey by army engineers of routes for canals to connect the streams and bays along the Atlantic coast from Potomac to Jacksonville. Local waterways boards of cities

along the route have also accomplished much of value during the twelve-months, and the reports to be presented at the convention will be of great interest.

President Moore declares that the big project has now reached the crucial point. The report of the army engineers who surveyed the route will be presented to Congress this fall. Whether the Atlantic seaboard shall remain "bottled up," asserts Representative Moore, depends now upon the enthusiasm and influence to be brought to bear within the next year.

Berlin's Colic, Cholera and Diarrhea Remedy is today the best known medicine for the relief and cure of bowel complaints. It cures griping, diarrhoea, dysentery, and should be taken at the first unnatural looseness of the bowels. It is equally valuable for children and adults. It always cures.
