### New Lease Forms Ready.

Washington, Sept. 13—Officials of  
the forestry service today presented  
to the secretary of agriculture, Wil-  
son, with a draft of the proposed  
form of lease enabling waterpower  
companies to develop water power  
sites in forest reserves without ob-  
taining a permanent possession of  
the lands.

### WALLOWA ADDITION SELLING.

### Owner Buys More Land and Offers Fine Bungalow for Sale.

Wallowa, Sept. 13—Special—One  
year ago last July the beautiful tract  
known as the Riverside park was plat-  
ted and accepted by the Wallowa  
county as an addition to the town of  
Wallowa. The tract consists of fifty-  
one lots which have nearly all been  
sold notwithstanding the fact that  
there was a large tract of land in the  
west part of town also on the mar-  
ket. At the present time houses have  
been built and there are four families  
living in the park. Mr. A. G. Wiggles-  
worth, the owner of the tract has a  
fine bungalow at the entrance, prob-  
ably the best house of its size in the  
county. He brought the plans from  
California.

The lots are 50x150, with alleys. Ev-  
ery lot is a veritable garden spot.  
City water is piped through the main  
avenue for every lot and there will be  
no shortage for the water comes from  
the Wallowa river.

Mr. Wigglesworth has recently pur-  
chased forty acres more from the Har-  
ris tract adjoining Riverside park,  
part of which is within the corporate  
limits of Wallowa. This is all meadow  
land of the finest quality, capable of  
producing four tons of timothy hay  
to the acre. He is offering this land  
for \$250 an acre, and it is easily worth  
that amount. He has sold thirteen  
acres of it in the last few days. The  
entire piece could be platted into vil-  
lage lots a quarter of a mile from

town. It will be known as the River-  
side Park extension.

Mr. Wigglesworth has offered his  
beautiful bungalow at the entrance of  
Riverside park for sale at a very low  
figure. It consists of a nine room  
house all modern, a barn 24x30x16 and  
a basement. There are six lots of the  
best garden spots in the country. If  
Mr. Wigglesworth sells, he will build  
a smaller home farther up the park,  
as there is only himself and wife. Good  
terms are promised the buyer.
