Regular Republican, Flat Salary Candidate for State Printer Opposed to Present System

WILLIAM J. CLARKE
REPUBLICAN, FLAT SALARY CANDIDATE FOR STATE PRINTER

Annual income of State Printer under present fee system, \$80,000 would pay the expenses of any two departments of State. Printer's income much greater under new law which goes into effect in January, 1911.
Greater than combined salaries of Governor, Secretary of State, State Treasurer, Superintendent of Public Instruction, Bank Examiner and Attorney General.
William J. Clarke, only Republican, Flat Salary candidate for State Printer, would save \$25,000 to the State annually which now goes into the pocket of the State Printer.
Has had over 30 years' successful experience in the printing and publishing business and a lifelong Republican.
Will the taxpayers vote to rob the State to enrich the individual? State printing office the last relic of the old fee system.
