What a Few Celebrities

RILEY.

THE recent an-
nouncement
of the illness
of James Whitcomb
Riley suddenly re-
called to the coun-
try the fact that
this was our great-
est—or, at least, our
most popular—liv-
ing poet. Mr. Riley
had not been writ-
ing much of recent
years and for that
reason had some-
what dropped out
of the news. Indeed, the stroke of pa-
ralysis from which he suffered ante-
dated by some weeks the general an-
nouncement of it. Then the vast ma-
jority of readers learned with sur-
prised regret that the poet had not been
well for months. Any one knowing
him, however, could understand that
the lack of news concerning his illness
doubtless arose from his own shy re-
tardation everything that con-

four years old, yet he has received his

has been floor leader of his party in
the state senate, has been permanent
chairman of a state convention, has
been chief of the Knights of the Gold-
en Eagle of his state, has been elected

many times in a Re-
publican stronghold
and is one of the
leading lawyers of
Bucks county. In
addition, he was for
twelve years super-
intendent of a Sun-
day school and for
more than twenty
years church organ-
ist and leader of
the choir. These are
only the beginnings
of the things Sen-
ator Grim has done.

Among the remainder he has been
member of a school board and justice
of the peace. Yes, and he led his Odd
Fellows' lodge when it captured a prize
in Canada. To do all of these things
we are assured that Senator Grim
works till 12 o'clock at night when not
at church or lodge. Furthermore, he is
so jovial that the motto "Grim he is by
name, but not by nature," is explained.

Just now politicians the country over
are wondering what George B. Cox,
the Cincinnati boss, will do. Cox's
candidate for governor, Judge Brown
of Dayton, was turned down, and
there were some who said that Cox
only swung in line for Harding be-
cause he thought

GEORGE B. COX.

Cincinnati boss is
not the sort of man to forget a thing
like that, so it is a safe bet that he is
supporting Harding in good faith.

Cox is an ex-saloon keeper, ex-fight-
er, present banker and theatrical back-
er. When he was in his prime he
stood six feet in height. He first be-
came a force in politics because he
could leap flatfooted over his saloon
counter and land on the jaw of a man
on the other side on his way down.

He never ran for office but once, and
then he was beaten by the length of
the Ohio river. But he has ruled Cin-
cinnati and the politics of southern
Ohio absolutely.

were more rigidly enforced it would
be much more "unsatisfactory" to the

La Grande has made a good start in
