Political Announcements

S. F. WILSON, Athena, Oregon, candidate for joint senator for Umatilla, Union and Morrow counties subject to decision of republican primaries. "I firmly believe in the direct primary law, economy in the use of public funds, good roads, better schools, strict and prompt enforcement of law, the square deal and eternal progress of man and his institutions."

C. A. BARRETT, Athena, Oregon.—I hereby announce myself as a candidate for the nomination for joint senator for the district embracing Union, Umatilla and Morrow counties, subject to the choice of republican voters at the primary nominating election to be held on September 24th, 1910. If nominated and elected I will work for the interest of all the people of my district to the best of my ability. I favor the maintenance of the direct primary law and people's choice for senator and believe the people are as competent to nominate as they are to elect their officers. Very respectfully yours,
C. A. BARRETT.

DR. C. T. BACON, La Grande, Oregon.—The Observer is authorized to announce the candidacy of Dr. C. T. Bacon for coroner of Union county, subject to the decision of the republican voters at the primary election

DR. CLYDE T. HOCKETT, Enterprise, candidacy for joint representative for the 24th representative district subject to the voters of the republican party at the primary nominating election to be held in said representative district, September 24, 1910.
CLYDE T. HOCKETT.

OPEN LETTER NO. 2—RUSK TO HOCKETT.

Joseph, Ore, Sept. 12, 1910.
To Dr. C. T. Hockett, Enterprise, Ore.
Dear Doctor:—Having been a delegate from Wallowa county to the late republican assembly at Portland I am surprised that you neglect to defend the assembly scheme in public debate

with me. Your silence leads me to believe that you prefer to keep your assembly views out of sight as much as possible. I am opposed to assemblies you favor them. I favor the people's choice for U. S. senator. Do you? If you do, were you not lonesome among the delegates to the late republican assembly at Portland? Do you know of any assembly, state or county, that has named or favored a single, solitary man who favors the people's choice for senator? Being an assemblyman you don't believe the people are capable of choosing their state candidate directly. How about their ability to choose their U. S. Senator? Can they do that or should this be thrown back into the Legislature? Come, let us throw away our political "gum shoes" and declare ourselves upon these questions.

Yours very truly,
JOHN P. RUSK,
Republican Candidate for Re-Nomination for Joint-Representative Union and Wallowa counties.

W. W. RANDALL, La Grande.—I wish to announce that I am a candidate for the republican nomination to the office of sheriff, subject to the decision of the primary held September 24th.

T. B. KAY, Anti-Assembly candidate for State Treasurer has had wide experience in business and public life. He is president of the Salem Board of Trade, is manager of the Salem and Eugene Woolen Mills. Has been a member of the Oregon legislature for the past eight years and has a good record. He always supported measures in the interest of eastern Oregon. Such as the Portage Railway bill, the Sheep Inspection law, the Experimental station, the bill to establish a branch insane asylum in eastern Oregon and many others, and is in sympathy with the eastern Oregon counties. He is well qualified to fill the position of State Treasurer. Vote for T. B. KAY.

How the City Can Help the Country.

By Professor L. H. BAILEY, Who Headed the Roosevelt Country Life Commission.

It seems to be commonly assumed that one important reason for the high prices of living is INSUFFICIENT SUPPLY OF FARM PRODUCTS and that the remedy for this insufficiency is to put city folk and immigrants on farms, particularly on "abandoned farms," to make good the supply.

There are probably SUFFICIENT MEN AND WOMEN ON THE LAND at the present time to raise all that mankind needs, but they are not all effective.

We need a thorough inquiry into the whole course of trade from the time products leave the land until they reach the ultimate consumer.

If the city ever saves the open country it will be by WORKING OUT A REAL ECONOMIC AND SOCIAL CO-OPERATION BETWEEN CITY AND COUNTRY, not by the city going into farming.
