## Grandview Addition

Is now on the Market

This will be the most slightly addition of La Grande. The only addition to La Grande with building restrictions. The lots are large—nearly a full acre in each lot. We are going to set out some nice apple and cherry trees on each lot. We are going to make the prices reasonable, and most favorable terms. No interest. No taxes. Come to our office and look at the plat, then get into our automobile and go see the property.
