A FILTHY CONDITION.

Many a man, otherwise scrupulously clean, is dandruff dirty. The small, persistent germs of dandruff, working night and day, are constantly throwing off the small, white dandruff scales, which, falling on the shoulders of a coat, gives it a filthy appearance, and is repulsive.

Many men allow this condition to exist because they believe there is no cure for dandruff; they have tried various so-called cures with unsatisfactory results and naturally condemn all.

They have never heard that one of the world's leading scientists has discovered a certain formula that has cured thousands upon thousands of the most chronic cases of dandruff in anywhere from six days to two weeks.

This famous prescription is called Parisian Sage, and is now put up in America, but only by the Giroux Mfg. Co., of Buffalo, N. Y. It is for sale in La Grande by the Newlin Drug Co. who guarantee it to cure dandruff in two weeks or money back.
