We Want You To Call at Our Store DURING THE FAIR

We realy represent the strongest and best line of Vehicles and Wagons in the United States.

The famous Studebaker-Izzer buggy is what the name implies. We find out by our long experience that Studebaker wagons and buggies have more satisfied friends than any orher line.

We want to talk about seeding machines. Superior disk & hoe will give results that will satisfy you when you see the grain growing, it is perfect seeding that gives good yields.

One Word--During the fair we want everybody to visit our harness department as we are giving good values in this department and will make the horses proud if you will let us dress them up.

JOHN GRAHAM IS BURIED

**RESPECTED RESIDENT OF LADD
CANYON FOR MANY YEARS.**

**Building and Improvement the Rule in
District About Ladd Canyon.**

Ladd Canyon, Oct. 5 (Special)—Folding his tired hands over his peaceful heart, John Graham has passed away to that beautiful land where suffering is never known. Mr. Graham was born in Benton county, Missouri September 5, 1855 and died Sept. 30, 1910, aged 55 years.

Mr. Graham was operated upon at Hot Lake for gland cancer June 12, 1909, went to Eureka Springs Feb. 7, where he went to take treatment, but was not benefitted much, but returned to North Powder where he remained with relatives for some time, and finally came to the Grande Ronde hospital in La Grande where he finally died after several months of intense suffering.

He was married and resided here on his own farm at Ladd Canyon several years previous to his death. He was an active member of the Baptist church. His body was shipped to North Powder where he was buried by the side of his mother, the final services being conducted by Rev. Gibson of La Grande Sunday as was his request.

He leaves a host of relatives at North Powder and a sister-in-law, Mrs. Lucy Graham, who resides here, besides scores of friends, who will mourn his loss.

Charles Allen is here visiting friends and his sister, Mrs. Thomas Sherwood.

Mr. and Mrs. Dick Peebler attended the fair at Enterprise one day last week and also visited their daughter, Mrs. Eula Daugherty near Walla.

Burt Bowman was down from North Powder Sunday after some stock, returning home the next day.

Threshing is still going on in this vicinity and is installed on G. W. Survey's ranch now.

L. W. Drumsmith and family have moved to La Grande for the winter. Mrs. Drumsmith has been ill with typhoid fever ever since their removal, but is getting along nicely now.

James McClure has his new barn completed.

The school house has been reshingled and the porch has been inclosed, making a much needed cloak room.

The addition to James Mulholland's house is nearing completion.

Frank Counsell will soon commence the erection of a new barn.

Wm. Banton has the addition to his house finished.

Mrs. Lucy Shambaugh has recently given her house a new coat of paint.

Foley Kidney Pills Without an Equal.

E. Weakley, Kokomo, Ind., says in his estimation, Foley Kidney Pills are without an equal. He says: "I have had kidney and bladder trouble for over three years with severe headaches and irregularities of the bladder, accompanied by much pain. I secured a bottle of Foley's Kidney Pills and must say they certainly did the work. In just a few days my back-

ache left me, kidneys became stronger and I am now over my trouble and glad to recommend Foley Kidney Pills to every one suffering in this way."

They gave me quick and permanent relief and are in my estimation without an equal." Hills Drug Store.

Addition

Is now on the
Market

This will be the most slightly addition of La grande. The only addition to La grande with building restrictions. The lots are large—nearly a full acre in each lot. We are going to set out some nice apple and cherry trees on each lot.

We are going to make the prices reasonable, and most favorable terms. No interest. No taxes. Come to our office and look at the plat, then get into our automobile and go see the property.
