

MURDER CASES TO WAIT

WILL NOT BE TRIED UNTIL THE DECEMBER SESSION.

Court Must Open on Time in Wallowa, Hence the Delay Here.

Trials of two alleged murderers, T. R. Ellixson, accused of the murder of Waldo Perry at Union, and Jesse Parker, who shot his father-in-law at Elgin last summer, will not materialize at this term but will be carried over until December. With the trial of an Austrian accused of assault, the present October term of the circuit court is nearing the end and the court will transfer to Wallowa county and conduct the regular fall term of court at Enterprise. There is not sufficient time available to hear these cases now and open court on time in Wallowa. Consequently the two important trials will have to wait over.

DELEGATE HOME FROM SOUTH

HAS ATTENDED GRAND LODGE AND BANKERS' CONVENTION.

Held Important Committee Offices While Attending Grand Lodge.

Back from a tour across the continent, visiting at Atlanta, Ga., as grand representative from Oregon to the sovereign grand lodge of Odd Fellows at that place and later attending the United States Bankers' convention at Los Angeles, H. E. Coolidge, past grand master of Odd Fellows in Oregon, arrived home today after having been gone about one month. Mrs. Coolidge accompanied him.

While at the Odd Fellow conclave he was placed on several important committees, and reports that the other three delegates from Oregon were also recognized on committee work. At the conclusion of the sovereign lodge Mr. and Mrs. Coolidge went to San Antonio, Texas, as special guests with Deputy Grand Master Kellar, and attended a reception in Mr. Kellar's honor at that town. A few hours only were spent at New Orleans by tourists, the extreme heat driving them on.

At Los Angeles Mr. Coolidge attended the money jingler's convention and from there hurried home, completing the loop that first took him to Chicago, New York and Washington and then down the Southern route.

Mr. Coolidge holds office as sovereign grand lodge representative for two years and hence is entitled to attend the grand lodge at Indianapolis next year.

but the great fight will probably be made on the identification of the body. The defense will urge that the Crown is unable to prove that a crime had been committed, inasmuch as it has not proved that Belle Elmore is really dead. It is quite possible that the defense will deny that the remains found were human, since even on this point, the scientists have not positively agreed.

The relations between Dr. Crippen and Miss Leneve will be gone into fully by the attorneys for the Crown. Emily Jackson, who had Miss Leneve for a lodger, is expected to give important testimony on this point. She alleges she had several conversations with the typist in which the latter admitted her infatuation for the American dentist and that she expected the latter to marry Crippen when his wife was out of the way.
