## Star Theatre

Wednes. 12--Thurs. 13  
"UNCLE TOM'S CABIN"

A magnificent and Realistic production in motion pictures by the Vitagraph company of America

### PART I

A Serial Dramatization of "Ante Bellum" Days from one of the most famous publications of American Literature. Unequaled for emotional, dramatic and varied situations; unapproachable in true characterization of people who made a great epoch of American history.

### PART II

Probably the most pictures que part of the whole story, with one of the most pathetic scenes in all dramatic history—the Death of Little Eva.

### PART III

This part is filled with thrilling situations, bringing the tensions to the highest pitch of extreme interest that draws us toward the picture and makes us feel like grappling the villainous Legree and defending his defenseless victims. Our scorn goes out to the one; our sympathy for the others.
