Tales of Cities.

New York city likes peanuts. Its people consume \$4,500 worth of them every day.

Boston now requires its retail milk dealers to sell their product in sealed bottles only.

St. Paul is, it is said, the second largest buttermaking city in the world. Omaha alone surpasses St. Paul. This year the production in St. Paul will amount to 12,000,000 pounds.

Taihoku, the capital of Formosa, is being converted by the Japanese into an imposing up to date city, with scientific sanitation, wide streets and government buildings more imposing than most of those in Tokyo.

The Royal Box.

The king of Sweden is a tremendously hard worker, but he takes relaxation from the cares of state and is an ardent tennis player.

Queen Mary of England is an expert needlewoman. She is not only an expert dressmaker, but is wonderfully clever at lacemaking.

The king of Toro, Africa, has decided to be crowned annually. His father was so fond of the ceremony that he was crowned every month. His majesty of Toro is probably the only monarch who avowedly wears a false beard—made, by the way, from the hair of white monkeys.

NOBODY SPARED.

Kidney Troubles Attack La Grande Men and Women, Old and Young.

Kidneys ill seize young and old. Come quickly with little warning. Children suffer in their early years—can't control the kidney secretions. Girls are languid, nervous, suffer pain.

Women worry, can't do daily work. Men have lame and aching backs. The cure for man, woman or child. Is to cure the cause—the kidneys. Doan's Kidney Pills cure sick kidneys.

Cure all forms of suffering. The following testimony proves it. Mrs. S. J. Gilman, North Union, Ore., says: "We used Doan's Kidney Pills in our family about two years ago and found them to be an effective kidney medicine. One of our four daughters had a severe attack of kidney trouble and was unable to control the kidney secretions. Several well-known remedies were tried in this case, but no benefit was received until Doan's Kidney Pills were taken. The result of their use was a permanent cure."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo New York, sole agents for the United States.

Players stick to Same Ball Clubs.

Only five big league players of long experience have put in all their time with one club. Chance, Evers and Kling have always been Cubs. Lee Tannehill's entire career has been with the Chicago White Sox, and Eddie Plank began with the Philadelphia Athletics.

T. A. RINEHART,

Assessor for Union County, Oregon.
Daily Sept. 30 Oct. 17.

Dysentery is a dangerous disease but can be cured. Chamberlain's Colic, Cholera and Diarrhoea Remedy has been successfully used in nine epidemics of dysentery. It has never been known to fail. It is equally valuable for children and adults, and when reduced with water and sweetened, it is pleasant.

CANDIDATES ON AUTO TRIP

WILL TOUR TWO COUNTIES BEFORE RETURNING TO LA GRANDE.

Four Important Office Candidates Commence Trip Morning.

Democratic warhorses to the number of four, and one of the renowned scribes of the northwest, left this morning for a long junket by automobile on a speech making tour of Union and Wallowa counties. Woodson Slater, candidate for supreme judge, Oswald West, candidate for governor, Hugh McLain, candidate for railroad commissioner, Turner Oliver, candidate for secretary of state and all chaperoned by Ralph A. Watson, political writer for the Portland Journal, comprised the aggregation. They will deliver speeches at Summerville, Elgin, Wallowa, Enterprise, Joseph, and then again in Union county at Cove and Union, returning to La Grande be about tomorrow night.

Must be Above Suspicion.

Kidney and bladder ailments are so serious in their consequences, and if unchecked so often fatal that any remedy offered for their cure must be above suspicion. Foley's Kidney Pills contain no harmful drugs, and have successfully stood a long and thorough test. Hill's Drug Store.

Twentieth Century Dugouts.

Dugouts are usually associated with bygone days, but they still figure in Maryland navigation. The dugout is the Chesapeake canoe of the eastern shore oystermen. It is made by placing three pine logs side by side and fastening them together with wooden pins. Then the inside is dug out with an adz and the outside similarly shaped. The result is a nonsinkable craft, with bow and stern alike that is rigged with two sails and sometimes a "jigger" as well. From these boats the oysters are taken up with tongs. When the oyster season is over these canoes are painted and aquatic races are indulged in by the oystermen. Harper's Weekly.

THE SPIRIT OF LOVE.

You will find as you look back upon your life that the moments that stand out are the moments when you have done things in a spirit of love. As memory scans the past, above and beyond all the transitory pleasures of life there leap forward these supreme hours when you have been enabled to do unnoticed kindnesses to those round about you, things too trifling to speak about, but which you feel have entered into your eternal life. —Henry Drummond.

Slim Picking.

"He is as poor as Job's turkey." "But turkeys had not been discovered in the days of Job." "That was what made them so poor. Their owner couldn't locate the birds to throw shelled corn to them."

BASEBALL CHIRPS

Archer plays first base like a veteran for the Chicago Cubs. Chance feels that he can afford to lay off any length of time without any cause for worry.

Melton of the Chicago White Sox gives the impression that he is going to be a good ball player. The youngster fields well, is fast on his feet and handles his bat as if he were a hitter.

Rollie Zeider is the sole survivor of the infield with which the Chicago White Sox started the season. Purcell has gone to Boston, while Gandil and Blackburn have been relegated to the bench.

The playing of Jack Knight, the New York Americans' infielder, has been the talk of the league for weeks. He has shown himself a wonderful shortstop, a first baseman good enough for any team, and now he is demonstrating that he can bat just as well as any of them.

Talk about your odd names in baseball! The following short list shows that the Murphys, Reddys, Smiths and Joneses are being pushed into the background by the comers and phenoms who are coming up from the lowly minors: Rapp, Lapp, Snapp, Krapp, Upp, Krupp and Knapp are now looking for honors.
