CHILDREN ARE DELINQUENT

DRASTIC ACTION WILL BE TAKEN BY TRUANT OFFICER.

Most of the Parents Have Already Been Notified to Send Children.

Children of school age are in many instances allowed to stay out of school and backed by the school board Truant Officer Faulk is preparing a list of official notifications on parents that will lead to trouble if the children are not placed in school immediately. The law and its officers can do nothing with the children, it is the parents that have to stand the blame, and with jail sentences possible, the matter is a serious offense. The truant officer has orders from the school board to bring these children to school and as the parents have been warned in nearly all instances, drastic action is the next step.

APPETITE GONE

Indigestion is the Cause of It—The Newlin Drug Co. has the Cure.
