YOUNG ATTORNEY IS CLERK

HARVARD LAW GRADUATE TAKES LOCAL CLERKSHIP.

Retiring Clerk Will Take New Position Tomorrow is Possible.

Attorney Charles Albert Small, a graduate of Harvard's law school and late of Seattle, but formerly of Massachusetts has accepted a position as clerk of the Merchants' Protective association to succeed H. A. Corpe who leaves tomorrow for a new field of work. Mr. Corpe will take the road management of a Damon and Pythias show.

Mr. Small will bring his family to La Grande from the East in the near future and will make La Grande his home. He is a young energetic fellow and is thoroughly imbued with the spirit that the west affords better opportunities for the young professional man than the east. He will maintain the association office where Mr. Corpe's headquarters were.

What is Itch Dirt?

It is the old Anglo-Saxon name for dandruff, and it is a good one. If you have dandruff, you have itch dirt, and the little microbes that are part and parcel of dandruff, are working persistently night and day, and sooner or later will reach the very life of your hair and destroy its vitality.

Then you'll be bald—bald to stay—for not even the wonderful rejuvenating power of Parisian Sage can grow hair after the hair bulb or root is dead. Parisian Sage cures dandruff. Newlin, the druggist, sells it, recommends it, and guarantees it; only 50 cents a large bottle and your money back if it fails to cure dandruff, falling hair and itching of the scalp. If you do not live near the Newlin Drug Store, where Parisian Sage is sold, the American makers, the Giroux Mfg. Co., Buffalo, N. Y., will send you a bottle for 50 cents, all charges prepaid. There is no hair restorer so good—accept no substitute. The girl with the auburn hair is on every bottle.
