Presbyterians at Pendleton.

With about 100 visiting ministers and delegates in attendance the 20th annual meeting of the Synod of Oregon will be convened in the First Presbyterian church in this city this evening at 7.30. The sessions will continue over Sunday as 9:15. Sunday evening, is the scheduled hour for the closing of the meeting, relates the Pendleton East Oregonian.

It has been just 20 years since the synod met in Pendleton, the first annual meeting of the Synod of Oregon as now constituted, having been held in this city. Prior to that time the Oregon Synod included Washington and Idaho as well as this state.

The opening sermon will be delivered this evening by the Rev. H. N. Mount of Eugene, the retiring moderator. Following the sermon will come the roll call, the election of the moderator and the election of clerks. Dr. W. H. Bleakney is mentioned for moderator. The report of the committee on arrangements will also be made this evening.

Several of the visiting ministers participated in a street meeting last evening in the interest of the prohibition cause. Later they adjourned to the Baptist church, where a similar meeting was held.

Dysentery is a dangerous disease but can be cured. Chamberlain's Colic, Cholera and Diarrhoea Remedy has been successfully used in nine epidemics of dysentery. It has never been known to fail. It is equally valuable for children and adults, and when reduced with water and sweetened, it is pleasant to take.

Try This for Catarrh.

Get a HYOMEI (pronounce it High-o-me) outfit today.

Pour a few drops from the bottle into the inhaler that comes with each outfit, and breathe it in four or five times a day.

Immediately you will know that HYOMEI soothes and heals the inflamed and irritated membrane.

But HYOMEI does more than soothe and heal; it kills the germs, those persevering pests that are at the root of all catarrhal conditions.

"Last year I suffered terribly with catarrh. I used one bottle of HYOMEI, and my catarrh was better."—Miss Helen McNair, Loyalton, Cal.

A complete HYOMEI outfit, including a bottle of HYOMEI, a hard rubber pocket inhaler and simple instructions for use, costs only \$1.00. If you now own a HYOMEI inhaler, you can get an extra bottle of HYOMEI for only 50 cents at The Newlin Drug Store, and druggists everywhere.

Guaranteed to cure catarrh, croup, asthma and sore throat, or money back.
