French Village is Healthy.

Paris, Oct. 24—Etienne Reuvet and his good dame are today celebrating their golden wedding anniversary at their little cottage in Morbecque, where they were married and have spent their lives. The remarkable fact is that they are the fourteenth couple in the little village of a few hundred souls to complete their fiftieth year of married life during the year 1910. Judged by the age of its inhabitants, Morbecque is the healthiest spot in the world. One fifth of its inhabitants are beyond the age of ninety, while boys and girls of between fifty and ninety form half of the population.
