Of course you and every intelligent reader of the Observer knows that dandruff is caused by a germ.

Dr. Sagebund, the great French physician, proved this beyond a doubt.

In order to rid your scalp of filthy dandruff you must kill the germ.

There is a hair dressing called Parisian Sage which is now sold in every town in America, that is guaranteed to eradicate dandruff stop falling hair, splitting hair and scalp itch in two weeks, or money back.

If you have dandruff get a large 50 cent bottle today and rid yourself of it. Remember that if dandruff germs are not destroyed in time, the hair will surely fall out and baldness will follow.

Here's proof of what Parisian Sage has done; it will do more. It is the finest hair grower and hair dressing in the world, and people who use it regularly will never grow bald. Mrs. John Stoner, Evansville, Ind., writes on June 2, 1910:
