# SCHOOL DAYS

Your own little boy, as well as his bigger brother, will be **STYLISHLY, SERVICEABLY** and **COMFORTABLY** dressed in one of our **WANDESS** knickerbocker suits or overcoats.

Seldom has such variety of clever styles and fabrics been originated as we are showing this season.

**WANDESS** clothes are made in New York where the best fashions come from. They are cut full size, goods are thoroughly shrunk and tested before being made up. Every wear-exposed part and seam is taped or reinforced; **THEY WILL NOT RIP.**

The manufacturers, confident of the merit of their goods, authorize us to replace any garment bearing the **WANDESS** label and not giving reasonable satisfaction.

Best of all, the difference in price between these really good clothes and ordinary garments is so trifling, that you will be delighted.

Look for the **WANDESS** label on the inside pocket of the coat.
