Torch Light Parade.

The greatest torchlight parade ever seen in Pendleton will be held here next Saturday night.

The greatest automobile parade in Pendleton will be held here next Saturday night.

The greatest "transparency" parade will be held here next Saturday night. The greatest—but what is the use everyone knows it will be the best ever, says the Pendleton Live Wire.

The parade will be a torchlight, automobile, horseback, transparency affair with the hundreds of people in line as well as most of the machines in the city. Ernest Ruppe will be grand marshal.

The parade has been arranged by the young Republicans of the county, who met Saturday night at the Hotel Mowman to form an auxiliary Republican committee.

This committee will arrange for special excursion trains from Pilot Rock and from the west end of the county which will return the same night.

The parade will start at the fair pavilion; it will then continue to the Hotel Pendleton, where it will escort Dan Malarky, the speaker of the night to where the speaking will be held. Then it will disband.

When the speaking and the parade the Republican campaign will end. On Saturday the Republicans of the county leave the result confidently in the that upon reflection ETAOINKIHH Republican voters' hand, certain that upon reflection the Republican tickets both state and county, will be voted from top to bottom.

Arrange to see the parade: it will certainly be the finest this city has ever seen. And don't forget to vote the Republican ticket straight.

SHIPMENT STARTS TOMORROW.

La Grande Has Representative in Big Exhibit to be Seen in East.

A carload of Oregon and Washington farm and orchard products, in which La Grande has a representation of apples, will pass through La Grande from Portland tomorrow morning to be exhibited at the United States Land and Irrigation show to be held in the Coliseum from November 19 to November 24.

Railroad officials and fruitgrowers of the state have been busy for the last few months collecting samples for this display and while they did not aim to secure unusual products to present an unfair exhibit, they sought to gather the best specimens in each of the various lines of industry represented in the state.

All the fruit will be shown in its natural state and not in processed form and under seal as heretofore. It is believed that in this way visitors to the show will obtain a better idea of the Oregon crops than if they looked at them through glass jars.

The display, while in Chicago, will be in charge of a committee of Oregon growers, consisting of J. C. Skinner of Hood River; E. T. Bolton of Grants Pass; C. Malbauf of Medford; B. W. Johnson of Corvallis, and L. M. Brown of Walla Walla. A. E. Morse and W. E. Benton will represent the O. R. & N. and will assist in explaining to Easterners the opportunities in Oregon and Washington lands.
