Both Speedy and Effective.
This indicates the action of Foley Kidney Pills as S. Parsons, Battle Creek, Mich., illustrates: "I have been afflicted with a severe case of kidney and bladder trouble for which I found no relief until I used Foley Kidney Pills. I was troubled with backaches and severe shooting pains in the sides with annoying urinary irregularities and a sense of incompleteness in the act. The steady use of Foley Kidney Pills rid me entirely of all my troubles. They have my highest recommendation." Hill's Drug Store.

HOMESTEAD IS ORGANIZED.

Flourishing Membership for Beginning of New Fraternal Order Here.
Grande Ronde homestead of Brotherhood of American Yeomen was permanently organized last night and officers installed. The Homestead opens with twenty-eight charter members and ten transfers, making a thriving little homestead for a beginner. Chief Deputy Yeoman McNapp installed the officers and the institution is now in working order.

A Plea for Majority Rule.

E. E. Fisher, ex-mayor of Beaverton; T. E. Hills, ex-state commander G. A. R.; Hon. J. R. C. Thompkin of Fualatin, Theo. Pointer, George Stitt and 500 other legal voters and residents of the portion of Washington county proposed to be annexed to Multnomah have signed a remonstrance and ask that the boundary lines be not changed. Less than 300 voters within the strip signed the petition and the remainder of the county is practically a unit against it. Let the majority rule. All county divisions should be decided by the wishes of the people affected. By not voting at all you give half a vote for the measure. Multnomah, all powerful, does not need one-fourth of Washington county to further increase her power in the state. The loss of the territory will practically ruin Washington, which is already small in area. We ask you to vote 339 X No.—W. D. Wood, Chairman Anti-Annexation Committee, Hillsboro, Oregon.

A Safeguard to Children.

"Our two children of six and eight years have been since infancy subject to colds and croup. About three years ago I started to use Foley's Honey and Tar, and it has never failed to prevent and cure these troubles. It is the only medicine I can get the children without a row." The above from W. C. Ornstein, Green Bay, Wis., duplicates the experience of thousands of other users of Foley's Honey and Tar. It cures coughs, colds and croup, and prevents bronchitis and pneumonia.

Want Meat Inspectors.

Washington, Nov. 2.—Uncle Sam's Bureau of Animal Industry is in need of a number of men competent to serve as meat inspectors and examination of applicants for the jobs will be held today in various cities. All of the tests will be held in western cities, with the exception of an examination at New Haven, Conn.

No applicant for this post will be considered except he has had at least five years' experience in the packing, curing or canning of meats and can give satisfactory assurance of such training, besides answering a host of questions of a practical nature. Men who have been employed as butchers or meat cutters or in weighing or clerical work at packing houses will not be considered.

Why She Was Silent.

A very silent old woman was once asked why it was she had so little to say. She replied that when she was a young girl she was very ill and could not talk for a long time, whereupon she made a vow that if speech were given her once more she would never again say anything unkind of anybody. And thus she was as they found her.—Exchange.

The Soft Question.

Mrs. Nuwed, Sr. (to son after family jar)—Don't forget, son, that "a soft answer turneth away wrath." Mr. Nuwed, Jr.—Well, I know a soft question of mine brought a lot of it on me.—Smart Set.

A Notable Cure.

Justis Warner, LaFayette, Ind., was completely cured after two years of suffering. "My kidneys and bladder bothered me severely for two years, making me suffer intensely. My kidneys were weak and sluggish while in my bladder there was constant misery. I was run down, tired very easily and appetite poor. Four bottles of Foley Kidney Pills cured me completely. My appetite is restored, I sleep restfully and feel stronger and healthier than ever before. I gladly recommend Foley Kidney Pills."—Hill's Drug Store.

Good Attractions Next Week.

Manager Steward announces that after the sample last Tuesday evening of high priced attractions he will present this season the next offering, though much less in price of admission, will be equally as meritorious.

He figures that Miss Winston from the criticisms is in every way as fine an attraction as any that will come

to his house if the patrons will compare with unbiased judgment.

Miss Winston holds the reputation as the best leading woman now touring on the west coast and feels positive that he will please the patrons and receive their hearty support by booking only such companies as have "made good" in the other cities.

Miss Winston will open an engagement for one week next Monday evening in a comedy entitled The Grey Dove. The characters are said to be exceptionally funny, the company well cast and an excellent performance assured. These facts are vouched for by several papers in the many cities where the company has played. It is a pleasure to receive such reports for nothing displeases more than to anticipate an enjoyable evening at the theatre only to find a poor company in a poorer production.

The selection of plays Miss Winston intends playing here is well made and with the supporting company of such excellence one may feel justified in purchasing tickets well in advance.
