## Strategy is Important in Landing the Turkey

- ¶ The printing with which the approach is made must be good—individual, snappy, out-of-the-rut stuff that looks interesting.
- ¶ To get it, the order must be placed with a house that studies constantly the needs of its customers—a house that radiates modern methods.
- ¶ The old bird has been shot at so much that ordinary methods simply make him slip out of reach without raising a gobble.
- ¶ We print booklets, catalogues, folders—anything—and do it right. We are always at your elbow—use either 'phone, we'll do the rest.
