A Cold Settled in His Kidneys.

This was the experience of Mr. J. T. Pendleton, Effingham, Ill. "My kidneys and bladder bothered me for some time. Had severe backache, felt all tired out, saw specks floating before my eyes, and my bladder caused me much misery. Finally I caught cold, that settled in my kidneys and I was pretty sick. At that time Foley Kidney Pills were suggested, and I commenced taking them. A few weeks treatment put me back on my feet, stopped the backache and dispelled the bladder misery. The tired feeling left me and my vision cleared. Since then I have recommended Foley Kidney Pills to many of my friends."—Hill's Drug Store.
