DANGER IN DELAY.
Kidney Diseases are Too Dangerous for La Grande People to Neglect.

The great danger of kidney troubles is that they get a firm hold before the sufferer recognizes them. Health is gradually undermined. Backache, headache, nervousness, lameness, soreness, lumbago, urinary trouble, dropsy, diabetes and Bright's disease follow in merciless succession. Don't neglect your kidneys. Cure the kidneys with the certain, safe remedy, Doan's Kidney Pills, which has cured people right here in this locality.

G. W. Knight, 513 Franklin St., Pendleton, Ore., says: "Doan's Kidney Pills benefitted me so greatly that I do not hesitate to recommend them. For eight or ten years I was troubled by pains across my back and kidneys and at times my joints and sides were affected. I had to get up several times at night to pass the kidney secretions and often noticed sediment in them. Doan's Kidney Pills relieved my aches and pains in a short time and corrected the trouble with the kidney secretions."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Chamberlain's Colic, Cholera and Diarrhoea Remedy is today the best known medicine for the relief and cure of bowel complaints. It cures griping, diarrhoea, dysentery, and should be taken at the first unnatural looseness of the bowels. It is equally valuable for children and adults. It always cures.

Franklin Would Have Been Amazed

If his vision could have extended far enough into the haze of evolution to foresee the ultimate triumph of incandescent electric lighting—the GENERAL ELECTRIC MADZA LAMP.

The sage old philosopher flew his kite during a thunder storm, and by means of a key attracted and discovered electricity, but evolution decreed that modern inventive genius should discover an incandescent lamp that is revolutionizing artificial light.

THE GENERAL ELECTRIC MADZA LAMP gives nearly three times the light of the ordinary carbon incandescent—and costs no more to operate. In addition to this it gives light of a vastly superior quality—a clear white light like the sun's rays.

Everywhere people are having their houses wired for electric light, since the invention of the GENERAL ELECTRIC MADZA LAMP. It has made electricity as cheap as it is convenient. Come in for a moment today and let us prove to your entire satisfaction that there is no longer a possible excuse for you to be without the greatest of all household conveniences—electric light.

Rainbow Mine Sold.
Baker City, Nov. 9.—The announcement was made in this city today that the famous Rainbow mine in Mormon Basin, 40 miles south of Baker, had been bonded to the United States Smelting, Refining & Mining Company for \$1,050,000. The new company has four months in which to complete the examination of the property and if it is decided to take over the property, a cash payment of \$250,000 will be made on March 1, 1911. At the end of six months, or on June 1, 1911, the balance of the purchase price, \$800,000 is to be paid. This is the largest mining deal ever made in Oregon, as the famous Bonanza mine which has produced many fortunes, was sold for only \$500,000. There is every indication that the deal will be consummated as the United States Smelting, Refining & Mining Company has already had several engineers examine the property.

The Rainbow group of claims is located in the Mormon Basin mining district, 40 miles south of Baker City, and 21 miles southwest of Durkee, the nearest railroad point. The property contains the following: Hattie B. claim and Rainbow mill site, U. S. patent; Rainbow, Jim Crow, St. Croix, Ratcliffe, Tank, Cayuse, Black Hawk, Luly, K. & K. and King Fraction, all of which are surveyed and patent applied for. There are also four quartz claims held by location and 48 acres of patented timber land.

When the digestion is all right, the action of the bowel regular, there is a natural craving and relish for food. When this is lacking you may know that you need a dose of Chamberlain's Stomach and Liver Tablets. They strengthen the digestive organs, improve the appetite and regulate the bowels.

BALDHEADED MEN.

Ignorance of the Hair Causes Much Baldness Among Men.

Early plety doesn't cause baldness, neither does any kind of plety. Some baldheaded men console themselves with the idea that baldness is caused by a superabundance of gray brain matter, and would have the world believe that a baldhead is a sign of great intellect.

Such, however, is not the case. Ninety-nine times in one hundred, baldness is caused by dandruff germs which dig down deep into the roots of the hair and destroy its vitality and cause it to fall out.

All this may come gradually and take time, but as an up-to-date humorist would say "what's time to a dandruff germ?"

If you have dandruff, the little invisible, persistent devils called dandruff germs are at work. Destroy them at once or sooner or later they will be compelled to take your place in the baldheaded class.

In France baldheads are few because men understand how to care for the hair. Parisian Sage is a hair grower and invigorator that is guaranteed by the Newlin Drug Co. to grow hair if the hair root is not completely destroyed, to eradicate dandruff, itching scalp and falling hair, or money back.

50 cents for a large bottle at the Newlin Drug Co. and druggists everywhere on money back plan. Nov. 9-19-30.
