Dysentery is a dangerous disease but can be cured. Chamberlain's Colic, Cholera and Diarrhoea Remedy has been successfully used in nine epidemics of dysentery. It has never been known to fail. It is equally valuable for children and adults, and when reduced with water and sweetened, it is pleasant to take.

**A Cold Settled in His Kidneys.**

This was the experience of Mr. J. T. Pendleton, Effingham, Ill. "My kidneys and bladder bothered me for some time. Had severe backache, felt all tired out, saw specks floating before my eyes, and my bladder caused me much misery. Finally I caught cold, that settled in my kidneys and I was pretty sick. At that time Foley Kidney Pills were suggested, and I commenced taking them. A few weeks treatment put me back on my feet, stopped the backache and dispelled the bladder misery. The tired feeling left me and my vision cleared. Since then I have recommended Foley Kidney Pills to many of my friends."—Hill's Drug Store.

**Notice to Contractors.**

Notice is hereby given that sealed bids will be received at the office of the City Recorder for the construction of 5380 square feet of cement side walk to be constructed on Adams avenue between First street and Fourth street on both sides, the said walk to be constructed according to the specifications on file in this office. All bids must be in by 8 o'clock p. m. November 16th, 1910 and must be accompanied by a check of five per cent of the amount of the bid. The Council reserves the right to reject any or all bids.

**NOT FROM PARIS.**

It Has Taken Americans to Originate the Suffragette Suit.

Those who have an idea that only the Parisian dressmakers can turn out unique and striking clothes for the fair sex must now take off their hats to the American tailors, who have just evolved a costume for women that will make even Paris gasp. This is the suffragette suit, which was recently exhibited in New York at the annual meeting of dressmakers. At the show were also a new aeroplane costume, American made and designed, and the

most beautiful gowns imaginable, but it was this suffragette affair that attracted the most attention.

The suffragette suit will no doubt solve that much mooted question as to who wears the pants, for if the suffragette adopts this novel costume she will have a pair of trousers that will put father's to shame. The suit is of rough gray men's suiting fashioned into what its designer modestly styles a divided hobble skirt. In reality the trousers are about the style that President Taft wears when golfing. They are big and loose fitting and have the "raining in London" turn up at the bottom. Two pockets—side pockets such as men have to swagger in—were added by the thoughtful tailor to the suffragette suit.
