ADMISSION 10c

BE NOT MISLEAD

As there are no extra charges for examination of your eyes. One charge pays for examination, frames and glasses. The services and materials are far superior to any in the county. Dr. Mendelsohn carries the best stock that can be purchased.

We have many people come to us after they have consulted eyesight specialists to be fitted with glasses.

We do not claim to know everything.

We do not grind everything.

We do not repair every thing.

WHAT WE DO KNOW.

Is how to fit glasses properly. Our 29 years practical experience enables us to guarantee results. Over 2200 people in Union and Wallowa counties will testify to the permanent good we have rendered them.

Wherever you see Dr. Mendelsohn's name you can depend upon it that you are not paying for hot air but that you will receive honest value and skilled treatment. His word is as good as his bond.

Ask any business or professional man in La Grande or any other city where the Doctor is known.

All broken lenses replaced while you wait. Charges are reasonable.

Dr. M. P. Mendelsohn, who has been in Portland for several days, returned home yesterday. The doctor says Portland is very lively at present time and evidence on all sides indicates that an extensive business will be transacted there this year.

OREGON CATTLE ON EXPOSITION

Heppner Cattle Will be Entered in International Live Stock Show.

Seven head of snorthorn cattle from the famous W. O. Minor herd at Heppner, Morrow county, Oregon, passed through Pendleton yesterday on their way to Chicago, where they will be entered in the International Live Stock exhibition, the greatest livestock show in the world, says the Pendleton E. O. These seven head of young cattle will be the only exhibit which Oregon will have at the great exhibition.

Following the show the cattle will be entered in the great Breeders' Short Horn sale and all will be sold. Dr. S. W. McClure, chief of the bureau of animal industry in the northwest, who has seen the Minor cattle, is of the

opinion that they will be disposed of at remarkable prices and he believes that some of them will sell for more than \$1,000 each.

The Oregon exhibit will be entered as a "breeder's young herd." They were all bred and raised by W. O. Minor on his Heppner farm and were sired by his famous bull Golden Goods. The show opens November 26 and will continue until December 3.
