if his vision could have extended far enough into the haze of evolution to foresee the ultimate triumph of incandesant electric lighting- the GENERAL ELEC-TRIC MADZA LAMP.

The sage old phiosopher flew his kite during a thunder storm, and by means of a key attracted and discovered electricity, but evolution decreed that modern inventive genius should discover an incandescant lamp that is revolutionizing artificial light.

THE GENERAL ELECTRIC MADZA LAMP gives nearly three times the light of the ordinary carbon incandescantand costs no more to operate. In addition to this it gives light of a vastly superior quality-a clear white light like the sun's rays.

Everywhere people are having their houses wired for electric light, since the invention of the GENERAL ELECTRIC MADZA LAMP. It has made electricity as cheap as it is convenient. Come in for a moment today and let us prove to your entire satisfaction that there is no longer a possible excuse for you to be without the greatest of all household conveniences-electric light.

BALDHEADED MEN.

Ignorance of the Hair Causes Much Baldness Among Men.

Early piety doesn't cause baldness neither does any kind of piety. Some baldheaded men console themselves with the idea that baldness is caused by a superabundance of gray brain matter, and would have the world believe that a baldhead is a sign of tion. A. W. Rynearson, Est., \$131.83. great intellect.

Such, however, is not the case. Ninety-nine times in one hundred, baldness is caused by dansruff germs which dig down deep into the roots of the hair and destroy its vitality and cause it to fall out.

All this may come gradually and take time, but as an up-to-date humorist would say "what's time to a dandruff germ?"

If you have dansruff, the little invisible, persistent devils called dandruffff germs are at work. Destroy them at once or sooner or later they will be compelled to take your place in the baldheaded class.

In France baldheads are few because men understand how to care for the hair. Parisian Sage is a hair grower and invigorater that is guarantees by the Newlin Drug Co. to grow hair if the hair root is not already destroyed, to eradicate dandruff, stop itching scalp and falling hair, or money back.
