CONVINCING THE COMMITTEE.

The work of convincing the committee which is to locate the state insane hospital should be an easy task, although anyone who has ever had experience along such lines will fully realize the many curves and twists that may be encountered. While apparently the city of Union has every valid claim to the new institution, it will be necessary to overcome many things put in the way by opposition.

There is but one way for Union to make this fight and that is purely upon the merits of the case. Union is blessed with many natural advantages over any other competitor as well as having been at one time chosen for the asylum location several years ago when it seemed certain that Oregon would install another institution.

The essential features for proper location of an asylum are many and the place where nature does the most is the ideal spot. Undoubtedly Union has been favored by nature in many ways and has that remarkable site to offer which would be hard to duplicate east of the Cascades.

During the time that elapses from now until the asylum is located no citizen should leave a thing undone to put Union's merits before those who take an interest in this matter, for you never can tell how far reaching a good word may be.

Entering upon the holiday run of business is one of the pleasures that come to every business man in every city, and from indications this year the trade will be heavier than ever before. La Grande merchants look carefully after their stocks of goods enabling every customer to be thoroughly satisfied without having to leave this city. And this is a feature that adds to a commercial center's prosperity and standing.

Congressman Cannon does not increase admiration by opposing what he has advocated and fought for in the house for so long. If it was right for Cannon to rule with an iron hand it will be right for Champ Clark to do the same thing. If it was wrong for Cannon then it will also be wrong for Clark, but the strange feature of the whole affair is that a national character like Cannon should right about face on a national matter.

We presume from now on there will be much said about the tax law recently adopted by the voters. But what is the use? Suppose it is a bad law, granting that everything said against it is true, is it not still a fact that we have had laws before and come out from under them with little blemish. And furthermore, if it is as bad as claimed two years will end its existence. Then, why go frantic over the measure?

With a total million dollars to spend for advertising purposes the coming year Oregon will likely attract even more attention than she is at present, which means that she will be the center piece of the entire gaze of the United States.

A Safeguard to Children. "Our two children of six and eight years have been since infancy subject to colds and croup. About three years ago I started to use Foley's Honey and Tar, and it has never failed to prevent and cure these troubles. It is the only medicine I can get the children without a row." The above from W. C. Ornstein, Green Bay, Wis., duplicates the experience of thousands of other users of Foley's Honey and Tar. It cures coughs, colds and croup, and prevents bronchitis and pneumonia.

Ordinance No. 497, Series 1910.

An Ordinance declaring the cost of improving Adams avenue from the west line of Cherry street to the west line of Spruce street assessors; the property benefitted thereby, declaring such assessment and directing the entry of the same in the docket of City Liens, authorizing the issuance and sale of bonds to pay for said improvement, and declaring an emergency.

The City of La Grande Does Ordain as Follows:

Section 1. That the Council has considered the proposed assessment for the improving of Adams avenue from the west line of Cherry street to the west line of Spruce street, and all objections made thereto, and hereby ascertains, determines and declares the whole cost of said improvement in the manner provided by resolution duly passed by the Council on the 5th day of August, 1910, to be the sum of \$5118.08, and that the special and peculiar benefits accruing to each lot, or part thereof, or parcel of land within the assessment district, by reason of said improvement and in just proportion to such benefits, are in the respective amounts set opposite the number or description of each lot or part thereof or parcel of land, in the annexed assessment roll, and said assessment roll, which is numbered nine, is hereby adopted and approved as the assessment for said improvement, and the Recorder of the City of La Grande, Oregon, is directed to enter a statement of the assessment hereby made in the Docket of City Liens, and cause notice thereof to be published as provided by Charter. That said assessment shall be and become due and payable within sixty days from the date of the passage of this Ordinance; provided however, that any and all persons whose property is affected by this assessment, may, upon application to the Recorder of the City, pay said assessments in ten equal, annual installments, deferred payments to bear interest at the rate of 6 per cent per annum. But if such application be not made as above set out, then the whole of each and all amounts mentioned in the said assessment roll, shall be and become due and payable at the expiration of said sixty days.

Section 2. That there shall be issued and sold by the City, improvement bonds in the said sum of \$5118.08 due and payable in ten years, after date, bearing interest at the rate of 6 per cent per annum, and the proceeds

of the sale of said bonds shall be applied in payment for said improvement.

Section 3. Inasmuch as the work mentioned in this Ordinance has been completed, and it is necessary and expedient that the same be paid for at once, now, therefore, in order to preserve the health, peace and safety of the City, and protect its credit, an emergency is hereby declared to exist, and this ordinance shall take effect and be in force after its approval by the mayor, and its publication in one issue of the La Grande Evening Observer from and after the 25th day of November, 1910.

Passed the Council on the 23rd day of November 1910, by seven members voting therefor.

Approved this 15th day of November, 1910.

F. L. MEYERS, Mayor.

Attest: D. E. COX, Recorder.
